Imported Fountain Conversation Piece

Over 100 members of the Birmingham Woman's Club and their guests enjoyed a membership tea recently in the home of club president, Mrs. Hans O. Schjolin, of Stony Brook Lane.

An unusual tea table arrangement featuring an imported dolphin fountain flanked by silver candelabra and pink rosebuds formed a beautiful setting as a foreground for the backdrop of tree tops in the Schjolin wild flower garden.

Huge bouquets of various colored peonies and smaller arrangements of roses lent a most decorative touch to the antique furnishings of the home.
