Track Ratings American Legion Opens 1962 Season

Birmingham Seaborn earned three places and Bloomfield Hills one in the final state high school track rating.

Seaborn's Jack Bachelor's time of 4:28 in the mile qualified as the eighth best run this season in Michigan.

Roger Mason, who competed once this season due to a broken bone, finished in a tie for fifth place with his early season height of 12' 4" in the pole vault.

Bloomfield Hills' 880 relay team missed the top spot in the state by two-tenths of a second with their time of 1:30.1. Seaborn's 880 relay foursome finished in 5:43 1/2 in that event with their time of 1:31.3.

Local American Legion Junior baseball opened its season yesterday with Birmingham Charles Edwards Post 14 traveling to Farmington. Tomorrow they open the home season at Groves High School against Royal Oak.

Babe Ruth Baseball Optimist Olympic Meet Held at Seaborn High

The second annual Optimist Olympics swimming and track events were held Saturday at Seaborn High School. The meet was sponsored by the Birmingham Optimist Club.

Giving all children an opportunity to compete in competition was the aim of the Optimist affair, according to director Cory Van Fleet, swimming coach at Seaborn.

Developed by Al Nye, Optimist member, with the help of Van Fleet, the affair is staged with the cooperation of the Birmingham Board of Recreation, area high schools, coaches, and the Amateur Athletic Association (AAA).

SWIMMING competition was held in the morning, track in the afternoon. High school varsity athletes were allowed to compete in one event in each classification, 200 free style in swimming, and 400 dash in track.

Bob Wolf, of Seaborn, swam 200 open free style in 2:02. Tom Swartz, college student, splashed to a 32 mark in the quarter and Derby Junior High student won two events, the 50 free style and the breaststroke.

Strikeout Artists Baffle Little League Sluggers

Jeff Mays of the Major League Yankees ran his strikeout total to 12 in 18 innings last week in Little League action, but this amazing average was only one better than his closest competitor, Dave LaCivita, of the Spartans. Dave has fanned 41 in the last three games, 17 against the Badgers Sunday.

Larry Deck of the Major League Senators slammed five home runs as his teammates scored 25 runs in two games. Deck touched the mudhens for two round-trippers and then belted three more against the White Sox, including a grand slam.

IN OTHER major league action Tim Lincecum hit two home runs for the Indians.

Home run hitting also highlighted Minor League action. Dave Mathews chipped a bases-loaded homer against the Hawks, leading his Oiler teammates to a 6-4 victory.

Lon Smith and Robert Adams, both of the Oaks, accounted for three circuit batters between them, Smith hitting two.
