Localites Earn Gray Lady Caps, Pins

Sixteen new American Red Cross Gray Ladies received their caps, pins and certificates on June 12 at 8 p.m. in the staff auditorium of the Pontiac State Hospital.

The colorful candlelight capping ceremony was the reward for the volunteers who had just completed a three-month probationary period of service to patients of the hospital.

Keynote speaker, Walter H. Obernau, M.D., medical superintendent of the local state hospital, was warm in his praise of the Gray Ladies and other hospital volunteers who "give of themselves so that the patients realize they are not forgotten by society."

Chairman for the program was Mrs. George M. Sherriff of Farmington Township, who is the Red Cross Volunteer Coordinator at Pontiac State Hospital.

ADMINISTERING THE Gray Lady pledge and assisting Mrs. Sherriff in the capping ceremony was Mrs. William C. Sproull of Birmingham, Oakland County Chairman of Gray Lady Services.

The ladies who received their caps and pins were Mrs. Harry Arnkoff and Mrs. Morris Kamper, Pontiac; Mrs. Carl T. Blumman, Mrs. W. Peter Curry, Mrs. Joseph Dworski, Mrs. Edward Krauss, Mrs. Nick Storiazza, Mrs. Wilford Thompson, Mrs. Arnold Aronoff and Mrs. Sheldon Marsden, Birmingham; Mrs. Lawrence H. Cadillac

When he got the facts... he got the car!

And what are the facts about Cadillac that proved so persuasive?

Well, listen for yourself—and judge for yourself.

Fact Number One. A Cadillac can be unexpectedly modest in original cost. The lowest priced model, for instance, actually costs less than eleven models of other less renowned makes.

Fact Number Two. The price of a new Cadillac include many important features that are extra on most other cars—including power steering, power braking and Hydra-Matic drive.

Fact Number Three. Cadillac cars are extraordinarily dependable—and remarkably frugal in their use of gasoline and maintenance requirements.

Fact Number Four. Cadillac dealers are especially anxious to welcome new owners to the Cadillac family at this time of the year—and they are in a position to make the step up unusually attractive.

Of course, that's only the frosting on the cake. For the basic temptation remains, as always, the greatness of the Cadillac car itself—a greatness that has this year reflected itself in every phase of performance, craftsmanship . . . and in every detail of beauty and elegance.

It's a combination that has this year proved irresistible to more motorists than ever before.

Why not visit your nearest Cadillac dealer soon and let yourself be tempted?
