

Local Couple Flies to Europe; See Roman Wall and Relatives

BY VELMA McCANE
MA 6-6530

Dr. and Mrs. Mikulas of Woodbank Dr. recently flew to England by jet. Their first stop was in Chester, near Liverpool, where they saw the 1,300 year old Roman Wall. South Wales was the next stop, where Mrs. Mikulas met some of her relatives for the first time.

Back in London, they did some sight-seeing before leaving for Madrid, Spain, where they were entertained by several families for four days. Next came Rome and they tossed a coin in the famous fountain in the square. Milan and a journey to Como Lake completed their Italian thrills.

Oslo, Norway was on the agenda and then Sweden, where Dr. Mikulas presented a "paper" to the Swedish Refrigeration Society in Karlstad.

Notre Dame and the Louvre were the highlights for them in Paris.

The rain did not dampen plans

for a picnic. The picnic will now be on July 4 on Archer Island for all subdivision families and their friends. Mrs. Charles Wick is chairman.

AS OUTGOING president of the Woman's board, Mrs. John Holmes was presented with a gift by the board members.
