INVESTigate ...

A T & T—Continuous Dividends for Over 80 Years

Yes, A T & T has paid dividends for over 80 years, and probably will for years and years to come. A T & T controls about 82% of the 74,342,000 telephones in the United States. It is our opinion that A T & T has good growth potential and is an excellent stock to provide a bellwether for any well-rounded portfolio. For complete information on A T & T or other growth stocks, call or stop in at either office—naturally there is never an obligation.
