

Local Thespians Meet To Cast Mystery Play

LATHRUP—A play calculated to keep one on the edge of a seat is the "House in the Cliff" by George Batson, which will be presented by the Lathrup Players on April 27 and 28.

Casting was the order of the day Saturday. Directing will be Mrs. Vincent Zetall, assisted by Mrs. J. T. Canan.

Also good for admiration was Mrs. Bernard Rampitz's "Sleepy Time Gal," which was accented by some tastefully worn curlers. Mrs. Richard N. Cogger had everyone a "song" meeting of the Lathrup guessing as they counted the five

feet on her hat and attempted to match it to the attached numeral "two." Answer, of course, was "two." The first two.

President Mrs. Alex G. Billedeon's long-cigar holder and fancy hat added up to "The Lady Is a Tramp."

Of special interest at the meeting was the presence of Tom Munson who discussed the Village Swim Club and its plans.

Mrs. Robert Girvin says she and her family hope that their Nigerian guest, Isaac Adalemo, will return again to see them. One of the 40 visitors from the University of Michigan, all former students, who spent the weekend of Feb. 17 in area homes, Adalemo attended the South Oakland Symphony presentation of "Hansel and Gretel."

He also told the Girvins he could hardly wait to go bowling again. They introduced him to the sport when Mrs. Girvin competed in a bowling meet on the final day of his stay.

Ray Moses and his wife are most excited over his second prize in a year. He's one of 10 men who won a trip in International Business Machines mid-western regional sales performance race.

The couple will head for Mexico this time; last year's award took them to Palm Beach, Fla.

It was quite an evening at the home of the W. A. Wilsons, of Morningside, who celebrated their wedding anniversary—Feb. 18—and his birthday—Feb. 19—with a family dinner on the seventeenth.

Family members coming from Hamilton, Ont., were his father, Robert Wilson, a young 82-year-old; his sister and her husband, Mr. and Mrs. Thomas Higgins; and his brother and his wife, Mr. and Mrs. George Wilson.

Some of Mrs. Wilson's relatives also joined in: Mr. and Mrs. Alfred Lalla, of Birmingham, and Mr. and Mrs. Ernest Lalla, of Oak Park. Both men are her brothers.

Following dinner, the Wilsons were hosts to another five couples who came over to extend their good wishes and spend an enjoyable evening.

The senior high youth group (TYPs) of Lathrup Community Congregational Church are planning a bake sale at the A&P in Lathrup from 10 a.m. to 3 p.m., with Buzz Jenkins, of Lathrup, at the helm.

Then there's the pancake supper, with Ron Perkins, of Southfield, heading arrangements. Date is March 30. The day before Easter has been chosen for the third project—a car wash with Don Miller, of Lathrup, in charge.

Officers are Ed Gieringer and Steve Renton, president and vice president, respectively.

Ed's mother, Mrs. E. Lundberg of Cambridge, incidentally, passes on word that Lathrup neighborhood Girl Scout troops are planning exhibits of projects in local business places—all part of the Girl Scout birthday celebration.

buffet refreshments and door prizes.

The event will take place at 8:30 p.m. at the Maplewood Club, with music by Bob VanGordon. The evening's festivities are open to the public who may contact ticket chairman Bill Beals or any of the board members.

Other board members and officers are Pres. Don Hanford, of Southfield, and Mrs. Charles Cruttwite and Mrs. James Russell, both of Cranbrook. From Southfield are A. Bosley, Mrs. E. Brown, Robert Radner, Mrs. Philip Peterson, Will Oliver and S. G. Lucas.

There IS a Difference!

It takes courage to Dare to Be Different! In the brief resume' that follows, we hope to point up why "There Is A Difference" in our ability to serve you.

A Worthy Goal

We are resolute in our objective to provide the most reliable and complete Real Estate Service available in this country's finest residential suburb, Birmingham - Bloomfield.

Our Record

Since coming to Birmingham seven years ago the Chamberlain Real Estate Company has grown from a two-room operation in a since dismantled home at 420 S. Woodward into one of the most modern facilities in the business at 975 S. Hunter Blvd. The sales organization has increased to 17 full time salesmen who participated in almost Six Million (\$6,000,000.00) Dollars in residential sales in 1961.

Recruitment and Training

This company has demonstrated it is possible to recruit extremely high type salesmen and train them under close supervision to become top-flight producers. Like others who have learned to roll with the times, we hire no salesmen who have left a competing firm in the same community. We interview from 15 to 20 applicants for each man added to the force. The new trainee must follow a rigid program of orientation and instruction in company policies and procedures. If after six months or a year he fails to show the expected degree of aptitude or proves not to be amenable to a continuous instruction program he is dismissed. This method of upgrading has produced a sales force that has grown stronger with each passing year.

Trades Create Sales!

As a progressive firm we have felt the very real need for an easier way for a family to upgrade itself without risking undue financial, physical, or mental discomfort. Through our trade-in program we have effected over \$500,000.00 in residential sales that otherwise 'would not have been' in the past few months. Many have learned to respect appraisals that are backed up with dollars! We offer such service daily. May we help you?
