Curriculum additions, such as a visual arts course, senior science and a semester requirement of speech for all students beginning with the class of '66 were the main topics of discussion in the third in a series of student press conferences with school administration officials.

Representatives from Derby, Groves and Seaholm also posed the questions concerning the proposed driver-training change, the gym program and courses for the rest of the school year.

By placing the driver training course exclusively on Saturdays

and in summer sessions, the cost of the program would be reduced approximately \$30,000.

ANNOUNCING A BUDGET PAYMENT PLAN

For Home Heating Customers of Consumers Power Company

SPREAD YOUR YEARLY COST OF HEATING OVER 12 MONTHS

It takes a lot more heat to keep your home warm in January or February than it does in July or August.

Monthly service bills of home-heating customers therefore vary considerably as between summer and winter.

Many home-heating customers have told us they would like a plan that would permit them to pay about the same amount every month.

The Budget Payment Plan makes this possible.

HOW THE PLAN WILL WORK

The budget year begins with May and runs through April of the following year. The total amount to be paid for service during the budget year will be estimated on the basis of past usage or other available data. Your monthly service bills then will be approximately one-twelfth of this amount.

During the first part of the budget year, your monthly payments will be somewhat larger than they would be under normal billing. You will thus be building up a credit against the winter months when your use of natural gas or electricity reaches its peak.

You will be billed for the same amount each month unless the credit you have built up is insufficient, when combined with the amount of the budget payment, to cover the service used, in which case you will be billed for the amount due.

In April you will receive a bill for the amount then remaining due, which may well be less than the amount of the monthly budget payment. Small overpayments of a year's bills can be carried over to apply against the next year. Larger overpayments can be refunded.

IF YOU WOULD LIKE TO PAY YOUR SERVICE BILLS ON THE BUDGET PAYMENT PLAN, JUST FILL OUT THIS FORM AND MAIL OR TAKE IT TO THE NEAREST CONSUMERS POWER COMPANY OFFICE. YOUR FIRST BUDGET PLAN BILL WILL REACH YOU IN MAY.
