

### Fulkerson to Speak To Waterford Dems

**BLOOMFIELD TOWNSHIP** — Attorney George J. Fulkerson, 3011 Middlebury Lane, will address the Waterford Democratic Club Saturday at the CAI Building, Waterford.

Fulkerson is one of 14 Oakland County speakers participating in the "Build Michigan" program organized by the Democratic State Central Committee. Purpose is to bring directly to groups of voters details of the legislative program recommended by Gov. John B. Swainson.

At Waterford, Fulkerson will explain the Governor's proposals for education.

### To Honor Eagle Scouts At Franklin Ceremony

**FRANKLIN**—Two Eagle scouts will be honored at the Court of Awards ceremonies, to be held at 7:30 p.m. Monday by Boy Scout Troop 1011 at the Franklin Community Church.

Fourteen-year-old Bob Long of 14 Mile Road and Sergei Revich, 15, of Kenmore Road will head an impressive group of scouts who have earned new ranks since last fall. Advancement chairman, Jack Holmes will act as master of ceremonies to present a Life scout, three Star scouts, two first class, 12 second class and six tenderfoots with their pins and badges.

Eleven boys will receive a total of 19 merit badges. Paul Nelson, district commissioner, will also be on hand to present the charters.

Cub scout pack 1011 will hold its monthly meeting today at the Franklin School to see a demonstration of scouting skills performed by Troop 1011 scouts.

Mrs. James Washburne of 13 Mile Road has invited friends to honor bride-elect, Marilyn Garwood at a bedroom-kitchen shower on Friday.

Franklin Village Players are earnestly hoping Mrs. Grant Sivier has had a good rest while vacationing in California these past weeks. Due home this weekend, she answered a long-distance appeal to take the lead role in "Ladies of the Jury" now in rehearsal for an April 12, 13 and 14 production.

Other members of the cast have been hard at work under the direction of Don Ode. Confident that Mrs. Sivier, who has played the "Mrs. Crane" role before as well as directed the play for other groups, will only need to brush up on lines. Players have booked the Farmington Barn theatre for the show.

Rover rambles are being reported again.

Synonymous with the vernal equinox comes the pedregreed predicament of what to do about roaming packs of dogs. Alarmed, residents beseech their neighbors to keep their dogs at home. Individually, "man's best friend" is a pretty charming animal, but the beast in him gets the best of him.

The meeting is open to the public.
