Marian students swelled with pride when they witnessed twenty fellow classmates being inducted into the National Honor Society. The induction program held March 16, was conducted by four Immaculata High School graduates, all charter members of the Immaculata Chapter. In the course of the ceremony, the immaculata girls addressed the audience separately. Rosaline Donna spoke about scholarship; Frances took up the theme of character; and Mary Wuder explained leadership. Sister Laura, I.H.M. from Monroe, gave a short talk on service.

Two special features of the program were a key-note talk by the Rev. Maurice Grey, chaplain of Marian and a call to action by Rosaline Donna. She stated that the Immaculata Chapter member who is now a Senior at Marygrove College, Miss Donna spent her junior year studying in Germany and is a member of Marygrove's sub-committee.

Sister Mary Aquin, principal of Marian, acted as coordinator of the Induction Program.

All Marian students, will be displaying the last week of March. The theme of this project is "The Realization of the Role of the Christian in the World."

The freshmen have the category "The Church as a Leaven in the World." The work of the Church in the Iron Curtain countries and the Church abroad is also presented.

The sophomores have the topic "The Church as a Sanctifier." In this field, education is an important subject. The liturgy, sacraments and the sacraments are also equally emphasized.

The Church and Unity will be related by the Juniors. Here the different councils of the church are listed and explained.

These projects show forth the efforts of our girls to better understand the role the church plays in this our modern world.
