1962 SIDEWALK NOTICE
 The City of Birmingham proposes to have a new concrete sidewalk constructed on the west side of Elm Road from Maple Avenue to approximately 556 feet from Maple Avenue. The owner may elect to construct the sidewalk at his own expense. In that event, the City Clerk shall be notified approximately 14 days before April 21, 1962, and such work shall be completed on or before May 1, 1962. In accordance with Commission Resolution No. 311-62, which authorized the work, the work shall be done in accordance with the plans and specifications prepared by the Engineering Department and a permit shall be secured prior to constructing the work.
 The City is preparing to let a contract for sidewalk construction, and to the extent the property owner does not cause the work to be constructed within above specified time limit, the City will proceed to have the sidewalk constructed by its contractor and assess the cost against the property owner.
 The following property will be assessed for this construction, when due.

Derby Students Receive Honors at Science Fair

Twenty four students in the seventh, eighth, and ninth grades at Derby Junior High School participated in the fifth annual Metropolitan Science Fair at Cobo Hall this week.
 Special recognition was given to four of the Derby students, Greg Baumann, fourteen-year-old ninth grader, won a tri-county first award in his grade with his exhibit, "The Effects of HI-Frequency Sound Waves on Bacteria." Fourteen-year-old Kathy Swigert, a ninth grader, won a special award for "Mendel's Law in Heredity." Dan Buckingham, Tony Eckman, 248 S. Newman, ninth grader, won a special award for his "Testing Reaction Time to Light." Connie Takis, eighth grader, won a second award for her exhibit, "Durability of Wax."
 The twenty four Derby final exhibits were part of about 900 displays which the students exhibited in the Derby school science fair held early this month. Finalists were then entered in the area Science Fair.

THE EXHIBITS were evaluated on the basis of scientific thought, reasoning and creativity, thoroughness and clarity, assembling skill and appearance.
 A list of Derby students whose exhibits were displayed follows:
 Greg Baumann, 4204 Rouge Circle; Kathy Swigert, 270 Chewton; Robert Blair, 370 S. Cranbrook; Cross, Brad Smith, 423 S. Adams; Bill Kingcott, 3970 Orchard Hill Drive; Tom Brodie, 975 Harlow Circle; Roger Shilby, 2412 Manchester; Nancy Searles, 3565 Darby Drive; Chato Hill, 1943 Mendel's Law in Heredity; Dan Buckingham, Tony Eckman, 248 S. Newman, ninth grader, won a special award for his "Testing Reaction Time to Light"; Connie Takis, eighth grader, won a second award for her exhibit, "Durability of Wax."

 Jim LaBelle, 217 Westwood; Constance Takis, 1932 E. Lincoln; Bob Bailey, 1225 Derby, Apt. 6; David Crosby, 1220 Buckingham; and Maddy Summers, 1156 Straymont.

STOCK MARKET UPWARD OSSLATION COMING?
 Even with very long price objectives, investors are likely to want to know when the market will go up. There are several reasons to anticipate higher stock market prices of which money, profits and attitudes are critical factors. Our new 7 page research letter, prepared with the basic concepts of McDonnell & Co.'s Vital Investment Analysis (V.I.A.), discusses these important factors in the light of the present market.
 Our Research Department also presents their investment ideas regarding new V.I.A. selected issues including Xerox, Lytton Financial, Gulf Oil, U. S. Rubber and Goodyear. In addition, we comment on twenty-two companies whose stocks we have previously selected to place on our special investment approach designed to outperform the DJIA average by 25% or more.
