Spring Luncheon Stars Calendar At Country Club

Lovely ladies, fashionable clothes and gourmet food will highlight "Reflections of Spring," the fashion show and luncheon to be given at Forest Lake Country Club April 4 at noon.

Club members, poised and pretty enough to be professional models, will reveal the latest in recent wear. Davidson's of Birmingham sent a special representative to New York to gather fashions especially for this event.

The club lounge will have a theater-like look with a stage setting of white wrought iron furniture brightened by dozens of red, pink and white carnations. In the center of the stage will be a huge mirror-like frame from which the models will make their entrance.

Add to this a luncheon menu

reading: Fresh fruit cup filled with mignon wrapped in bacon, cabaret potatoes, asparagus with hollandaise sauce. The dessert, almost too pretty to eat, will be frozen ice cream mold, shaped as a lily, with a creme de menthe center.

Mrs. John Herr and Mrs. Harold Dittich are co-chairmen of this party. Assisting them will be the Mesdames Roy Pevin, Howard Schewepe, Richard Ruppel, Desmond Currier, Blaine Eynon, Bernard Girard and Watson Kinney.

Membership Tea To Be Given Today

The annual membership tea being held today by the Birmingham Troy Women's Republican Club will have as their guest Mrs. George Romney.

Approximately 450 invitations have been sent to club members and guests. The tea will be held in the home of Mrs. John C. Finegan, 783 Abbey, Birmingham, from 2-4 p. m. Wives of Oakland County legislators have also received invitations.

Letter to Editor Creates Nostalgia for Garden Club

Sometimes a publicity release, handled with tender loving care by a non-professional, can be as heart-warming as the hours it took to compose. We give you, therefore, a six-page letter (written in long hand) which came across our desk this week eloquently speaking for itself.

Editor:

"Last week, March 22, Mrs. William McCallum, of 284 Westchester Way, had as her luncheon guest all of the Past Presidents (who were in town) of the Birmingham Branch of the Woman's National Farm and Garden Association.

"It was sort of a do-you-remember-together, and a lot of joy and pride was expressed as all recalled the contributions of each administration since the first meeting, Sept. 20, 1930, in the home of Mrs. Henry B. Thompson. Mrs. John T. Edgerly was elected first president at that time, but she could not attend this luncheon as she now lives in Wilmington, Del. She sent hearty greetings.

"The list of presidents who then carried on throughout these last 32 years include Mrs. F. H. McKinney, Mrs. T. F. W. Meyer, Mrs. Charles H. Welch, Mrs. Sam Gardner (now living in Bridgegewater, Conn.), Mrs. Aaron Webster, Mrs. Lawrence Howe (who sent regrets from Camelback Inn), the late Mrs. William Howe, Mrs. Ewald Schaffer, Mrs. Louis C. Dibble (currently vacationing in Florida) and Mrs. William McCallum.

"The list continues with Mrs. Derwood B. Gamble, Mrs. Frank Webb, Mrs. Robert Watt, Mrs. F. Gordon Davis (now State President), Mrs. Alvin H. Knorr and present president Mrs. Nelson A. Miles.

"All of these past presidents are now active in either carrying on Branch interests or contributing in other community or church activities. Mrs. George S. Dixon is nominee for next president.

"Among the projects sponsored by our Branch are planting of trees on the highways, public and private school grounds and on the grounds of public buildings; planting of tulips and geranium beds in Shain Park; yard and garden contests for children and adults; spring flower arrangements in Baldwin Public Library; Victory
