Composition by Huntley

SOFTENED CONTEMPORARY MAKES A FABULOUS BEDROOM...

Designers with true understanding of wood and fine created this. And you'll think you've made a mistake when you read the price tags, for COMPOSITION looks far, far more expensive. Here is richly grained Monaco walnut—simple, uncluttered, contemporary—softened by the imaginative interplay of wood against wood in a wondrously abstract geometric design. See a touch of it in the panel bed, more in the ample 58-inch, 6-drawer dresser, still more in the impressive 5-drawer chest. Come and see for yourself—COMPOSITION is well worth the trip!
