

## Fun in Their Own Backyard

## Suburban Scene

by MARY ELLEN MEAD

It doesn't have to be Florida (where the boys are!) or Bermuda (because it's plush) or even Washington (if you're a senior) to have a good time Spring Vacation. According to stay-at-homes, there's fun to be had right here in the

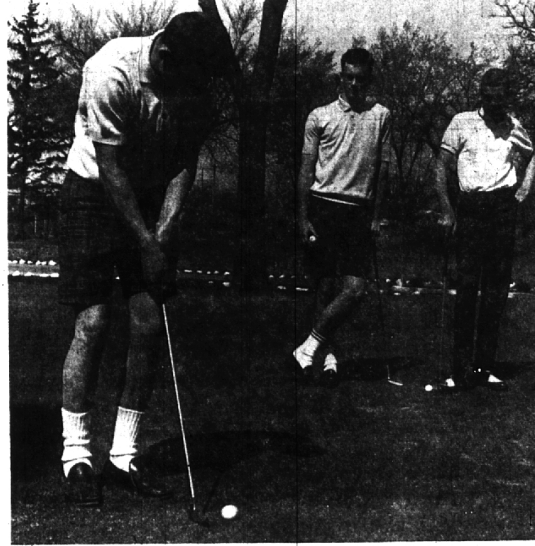

old home town. Last week Eccentric Photographer Al Mitchell cruised local streets and came back with a picture story to prove it. As inevitable as night and day are visits to the local drive-ins, where Seaholm students Judy Downey

and Ed Brown (left) shared a mid-afternoon snack one day last week. Equestriennes Judy Dabson and Janie Upward (left to right), who returned to classes at Groves Monday, spent their vacation riding at Outlands Stables.
