GOOD NEWS ABOUT ROSES!

In just ten minutes a week, you can get better roses, more continuous blooms — even through the heat of August. Here's how:

1. Give your rose bushes the right start with Scotts DAWN, and continue to fertilize each month. DAWN is a balanced diet developed especially to meet the unique feeding needs of roses.

2. Protect foliage from disease and insects with Scotts HAZE, applied to both sides of leaves with the remarkable new ZEPHYR.

The Scotts program is guaranteed. Ten minutes a week will give you the healthy, vigorous foliage which is the key to rose blooms, even in August.

INTRODUCTORY OFFER - SAVE \$5

To get you started on the Scotts Rose Program, we will give you \$5 off on the remarkable new Zephyr applicator when purchased as part of the Scotts Rose Program.
