G. Robert Harrington of Bir-mincham, assistant general mar-markam, assistant veneral mar-dia situation of the second of the dassistant vice president in the Michigan Bell Telephone Company. Harrington, of 2541 Cheswick, Harrington, of 2541 Cheswick, Marmed assistant vice presidence-ment of the second particular than the second of the second for the second of the second of the second for the second of the second of the second for the second of the second of the second for the second of the second of the second for the second of the second of the second for the second of the second of the second of the second for the second of the second of the second of the second for the second of the second of the second of the second for the second of the second of the second of the second of the second for the second of the se

by Bob Osborn & Out-of-this-world color

One of the most exciting photographic news items we've seen in many a year was the recent announcement of KODACHROME II Film.

What's so marvelous about this new film?

First, KODA.

CHROE II Film lets you make good, sharp color slides or movies even in poor light—on revy, overcast days, for example, or it shade. That's because it's a faster film that resular KOPACHROME FILM period by the control of the cont

BOLENS HUSKY 600 THE TRACTOR WITH THE HALF-MINUTE HITCH...

and a lot more!

Never before has so much engineering know how been poured into a 6-hp tractor. Speed of attachment-change alone puts the HUSSY way out in front of its competition. BOLENS engineers call the HUSSY's 3-point hitch (with splined power take-off) "the half-minute hitch"... and they be being clonervative.

How the spline power to be a spline power to be splined power to
