On May 16, Cranbrook and Kingswood School made their appearance at the 16th Annual Presentation Of Southeastern Michigan Regional Scholastic Writing Awards with over one hundred winners. This fine showing of students was the largest at the Awards Night.

SATURDAY, 19 May, the annual Kingswood Cranbrook Amateur Night was held in the Cranbrook Auditorium. The Masters of Ceremonies were Robert Maggs, one of the two Cranbrook students who are to study in England next year, and Louis Beer, of the Cranbrook Express. The program consisted of about seventeen different acts that ranged from recitals of serious music, a new dance to Twist by a modern dance, to single person and group skits. The show ran very smoothly and was very much enjoyed by all. The very talented Masters of Ceremonies were as much of the show as the acts were.

On Sunday, May 20, The Cranbrook Foundation of Bloomfield Hills held Founder's Day. Founder's Day is in keeping with Mr. and Mrs. George Booth's, the founders of the Cranbrook Institutions, customs of annually entertaining the graduating groups of the Academy of Art, Kingswood, Cranbrook, and Brookside School. At 11:15 a.m. a Service of Rededication was held at Christ Church Cranbrook. Participating in the Procession were Directors, Vestrymen, Trustees, members of the Advisory Board and institutional heads; they marched behind the flags of the six institutions. The Award of the Founders Medal was given to the Rt. Rev. Robert Lione DeWitt, Suffragan Bishop of Michigan and patronously to Dr. Robert Reynolds McMath. The sermon was by the Rt. Rev. Ronald R. Williams, D.D., Bishop of Leicester, England. At 1:30 p.m. an Annual Luncheon was given at the Cranbrook Institute of Science. From 3:00 to 6:00 p.m. a Founder's Day Reception was held at Cranbrook House.

homeroom assignments just before school opens in September.

Last night at 5:30, Derby's annual Roman Banquet was held. Everyone taking Latin at Derby was invited to attend dressed as a Roman. The entertainment was given by Dick Schwab, Bill Close, Sue White, Randy Sims, Bob Simpson.

The Fathers Club met last week. Mother Leslie, mistress of studies at the Academy, spoke to the fathers about the high school's role in preparing a student for college. Mr. Craine, head of the English department at the University of Detroit, then spoke about the quality of work which the college expects of its students. Dr. Ralph Cleveland moderated the panel.

A Certificate of Merit has been presented to Rose Marie Stevens in recognition of her outstanding achievement in the Fifth Annual Mathematics Competition held throughout the state.

The annual Family Day will be held at the Academy on June 3. Among the festivities planned for the day is a field hockey game between the Bloomfield and Grosse Pointe varieties, and a hockey match between the Bloomfield Sec. team and their fathers. The Junior School will present "The King's Breakfast" by A. A. Milne, while the seventh grade is preparing a French play entitled "Contrition". The rhythm band of the kindergarten is currently rehearsing for their part of the program. Newly elected members of the student government in the ninth and tenth grades are Margery Albright, Ann Cleveland, Michel Russo, Sue Burkhardt, Phoebe Kemp, Kitty Shannon and Mary Jo Slavsky.
