

B'ham Man Elected Secretary of Firm

Walter J. McCarthy, Jr., 3170 Pilgrim, Birmingham, assistant to general manager of Power Reactor Development Company (PRDC), was elected secretary of the company at the annual meeting on May 14, at the site of the Enrico Fermi Atomic Power Plant near Monroe.

His new duties will be in addition to present responsibilities. He succeeds Archie J. Mayotte who retired May 1, 1962.

McCarthy formerly served as assistant to the general manager of Atomic Power Development Associates. He joined PRDC January 1, 1962.

Automotive Service Adds Local Branch

A new one-story building in Birmingham has just been added to the facilities of White Automotive Service, Inc., for servicing automotive cooling systems and increasing its branch service. The new branch is located at 369 S. Woodward.

The new structure, 40 by 80 feet, is designed with three 14-foot overhead doors, permitting the accommodation of any size vehicle from the smallest passenger car to the largest truck.

The new facility provides special electronic leak-testing equipment, according to Mr. Steven White, president.

Also included is special charging equipment for metering refrigerant into air conditioning systems and a special device to test the flowing rate of water in automotive and truck radiators.

Behind The Store Fronts

Thursday, Friday and Saturday are Jimmie's Rusties' grand opening days at his new Birmingham branch east of downtown. From 2 to 6 p.m., on Saturday the well-known orchestra of Maurice Guillemet and Fred M. Lamotte, with their Italian Serenaders and their featured dancer, Princess Arlene, will entertain visitors to Jimmie's new summer furniture store.

Clint Sieweke, Harold Kane, and Jerry Lipsitt are all set to greet you (every day, of course) in a special way Friday and Saturday when Erb-Restrick Lumber Co. will hold open house in commemoration of Michigan Week.

Richard Owen and Larry Trager are the new owners of the Village Travel Service, 147 Pierce, Emily and Jacqueline Levitt, who count over 20 years of experience in the travel business, will stay on with the new owners. They started the concern a year and a half ago.

Village Travel offers all phases of travel service, both foreign and domestic, including car rentals at points of destination.

A feature of the travel service is the tie-in with Sports Tours, Inc., a local organization specializing in Alaskan big game hunting trips.

Sports Tours is headquartered with Eugene Wood's Planned Auto Management, 925 E. Maple, and is an outgrowth of Wood's own intense interest in Alaskan hunting.

According to Wood, who last year shot a near record caribou, opportunities to bag trophies of sheep, moose and grizzly bear are common in the heart of the Teton-Mountain range, or the Wrangell Mountains.

Sports Tours hunts originate in Anchorage, Alaska, between Aug. 10 and Aug. 30 for the 1962 hunt.

Suzette, Inc., 241 Pierce, closed since a fire Feb. 1, will reopen about June 1, according to S. Goldberg, president. We are told that the store will endeavor to "protect an image of casual clothes, sports clothes, plus flat Italian knits."

County Accountants Attend Workshop, Plan Annual Meeting

The officers and directors of the Oakland County chapter of the National Association of Accountants attended a workshop on chapter operations with officers and directors of other area chapters at East Lansing on Saturday.

Attending the workshop from the local area were vice president C. Arnold Carlson; treasurer John J. Tomson; secretary Francis P. Hendon; and director Eugene Mueller of the Birmingham chapter.

The county group will hold its final dinner meeting tonight at Devon Gables with Loma May, senior planner for the Jam Handy organization, as guest speaker. Officers for the coming year will be elected.

Albert W. Agnew, 874 Helston Road, Birmingham, has been appointed marketing manager of the mobile hydraulics division of Vickers Inc., division of Sperry Rand Corp.

Agnew has 12 years' experience at Vickers in sales management and application engineering of hydraulics for mobile and industrial machinery. Most recently he held the position of branch operations manager, machinery hydraulics division.

He holds a BS degree in mechanical engineering and master's degree in business administration from the University of California.
