Dorie Ried Misses Meet; Seaholm Posts No. 51

Seaholm High's track team es-
caped a real scare May 22.

A muscle injury to Ferndale's
flashy Dorie Ried enabled the Map-
les to gain their 51st straight
Eastern Michigan League dual
meet triumph. The Maples totaled
57 1/2 points to Ferndale's 21 1/2.

Since 1953 the Maples have lost
only two non-conference meets,
one to Cranbrook School.

REID, THE state's Class A top
dashman, pulled a hamstring muscle
in the state rounds at Red-
ford May 19 and missed the competition.

He scored 16 1/2 points and could
have been the high difference
against Seaholm.

Ried, who weighs 158 pounds,
won the 100 in 35.8 seconds, bet-
tering the official state record of
59.8. The pulled muscle slowed him
down in the 220 but he won the
final in 2:21.1. He leaped 22 feet,
25 inches to win the broad jump
and stormed from five yards back
on the last lap to run away with
the 880 relay in 1:30.4 at the re-
gional.

IF HE WOULD have competed
against the Maples he probably
would have won the three events
and the long-winning streak would
have come to an abrupt halt.

However, Coach Kermit Ambrose's
squad powered seven firsts,
including a slam in the shot put—

Little Falcons Add Little Oak Track Laurels

Groves Junior High added the
first Little Oak League track and
field championship to its impres-
sive list of triumphs May 23.

The Little Falcons took only
three firsts, but balance enabled
them to win the event held at
Groves High.

GROVES totaled 47 1/2 points.
Anderson 34 1/2, Lederle 32, Norup
and Derby 29, Birney 27 and Bar-
num 8.

Jeff Schubel of Groves won the
100-yard low hurdles in 1:26 and
a second in the broadjump and
the 100.

Groves' Kirk Olson cleared the
cross bar at 5'3 3/8" to capture
the high jump and Jim McKinney
roared to a first place in the 50-
yard dash in 7:2.

HOWARD DERBY of Derby set
a new field mark with an impres-
sive 8.6 seconds time in the 75
yard dash.

The district meet will be held Fri-
day at Groves.

4 Local Athletes Win Spring Sports Awards

Four local athletes recently won
letters in spring collegiate sports
meetings.

Wayne State track star Tom
Chope, from Birmingham, was
among 151 Tartars receiving var-
sity letters at WSU's Tenth annual
all-sports banquet Monday.

CHOPE, a senior, helped the
outdoor track squad to its finest
season in history this spring.

In three of the Tartars' six
dual wins he took first place in
the shot put, hitting a career high
of 45-10 1/2 against Toledo. The
team did not lose a dual meet, and
capped the season with first place
in the Presidents' Athletic Con-
ference championships.

Krause was voted the most
valuable player award of the Al-
bion College golf team. Frank
Forshee, Birmingham junior, earn-
ed a varsity "A" at Albion on the
tennis team.

KRAUSE is the son of Mr. and
Mrs. W. L. Krause, 25210 Peck-
skill, Birmingham, and Forshee is
the son of Mr. and Mrs. John H.
Forshee, 1520 Glenberry.

J. Sumner Bagby, son of Mr. and
Mrs. John K. Bagby, 972 Oxford,
Birmingham, received a junior
varsity track letter at the Merce-
burg Academy, Merceburg, Pa.,
recently.

Cops Both Fencing Titles

Bloomfield Hills High swept both
team titles in the state high school
fencing championships Saturday at
the Detroit Salle de Tuscun Club.

Don Arahamian paced the Bar-
ons by winning the boys' foil
competition while Markia Voros-
marty, of Michigan School for the
Deaf, took the girls' title. The
competition drew a field of 10
schools.

TERRY GIVENS, of Bloomfield
Hills, was runner-up to Arahamian
and Wayne Horke, of Michigan
School for the Deaf, was third.

Kathy Regan, of Detroit Macken-
zie, and Pam Waggoner, of Bloom-
field Hills trailed Miss Vorosmarty.

Bloomfield Hills registered 15
points in the boys' division and 17
in the girls' class. School for the
Deaf was second in both divisions.

Michigan universities and col-
leges are making important contribu-
tions in the field of science and
research. At the University of
Michigan last year nearly \$30,
000,000 was spent on research,
ranging from space ships to the
center of men's minds.

Cranbrook 'Nine' Drops Pair; Netters Split

Cranbrook School's baseball team
dropped below the .500 mark when
it dropped two one-run decisions
last week.

Coach John Laskarides' club lost
to Royal Oak Kimball, 6-5; and a
3-2 game to Shady Side of Pitts-
burgh, Pa.

AGAINST Royal Oak Kimball,
the Cranes got seven hits, but
seven errors proved very costly.

Tom Bennett's home run paced
the Cranes.

Against Shady Side, the Cranes
tallied in the first on Bill Estes'
walk, Dave Schlitz single, John
Billessen's walk and a passed ball.

Bloomfield Hills registered 15
points in the boys' division and 17
in the girls' class. School for the
Deaf was second in both divisions.

Michigan universities and col-

tions in the field of science and
research. At the University of
Michigan last year nearly \$30,
000,000 was spent on research,
ranging from space ships to the

JOHN HARADA (6-1, 6-3), Wit

m a t c h s. Steve Erickson-John
Brandt (6-3, 7-5), Steve O'Grady-
Sam Walker (6-2, 9-7) were tri-
umphant in doubles.

The netters lost 7-0 to Ham-
tramck May 22.

Cranbrook's track squad suffered
its second defeat May 22 in a tri-
angular meet.

GROSSE POINTE, which tied
for the state Class A championship
last Saturday, had 69 points; Pun-
ta Central, which finished ninth
in Class A, 44 and Cranbrook 24.

Steve Way tied for first in the
high jump with a 5'10 1/2 leap. Bob
Parsons tied for third.

seconds in the 100 and 220. Jeff
Walters and Norm Lee were second
and fourth, respectively, in the
880.

Tom Wilson and Baily Grannis
took second and third places in the
440.

What About Health Care For The Aged?

The administration of the national government is supporting legislation to provide for payment of some hospital, nursing home and home health services to persons over 65 years of age who are eligible to receive social security. This proposal is called the King-Anderson bill.

Everybody—physician and patient alike—wants elderly people to have good hospital and medical care when and where they need it. So, at first glance, the King-Anderson bill sounds good, doesn't it?

BUT LET'S TAKE A CLOSER LOOK!

- Q. Would these elderly people receive free hospital care if the King-Anderson bill is passed?
- A. No. They would have to pay \$10 per day for the first nine days, \$20 minimum, and an additional \$20 for each diagnostic procedure.
- Q. Would these people receive free medical and surgical care if the King-Anderson bill is passed?
- A. No. Care by your doctor or your surgeon is **not included** in this proposal; only certain services of doctors who work full-time in hospitals would be provided.
- Q. Then, what would the King-Anderson bill cost the wage earners of Michigan?
- A. An additional 119 million dollars in taxes the first year, and more in subsequent years. This would be paid by an increase in social security taxes of 17%.
- Q. Can elderly people with modest incomes now receive free medical care without the King-Anderson bill, without endangering their home ownership, losing their insurance, using their small savings, and without paying anything themselves?
- A. Yes. The Kerr-Mills (Michigan Aid to the Aged) Act provides comprehensive hospital and medical care at no cost to them. In Michigan this costs about 12 million dollars annually, paid half by the federal government, 40% by the State and 10% by the county. This is quite a con-
- trast to the 119 million dollars the people of Michigan would have to pay for the King-Anderson bill.
- Q. Would people over 65 who are wealthy and not receiving social security be eligible for hospital care if the King-Anderson bill were passed?
- A. Yes, they simply have to be eligible to receive social security.
- Q. Would people over 65 who are not eligible to receive social security be taken care of if this bill is passed?
- A. No, they would get nothing.
- Q. Do you think the King-Anderson bill would be a poor bargain for the people of Michigan?
- A. If you do, you agree with hundreds of thousands of people in Michigan who are writing to their Congressmen urging that he vote against this proposed legislation, the King-Anderson bill. **You won't personally get a chance to vote on it. The only way you can "vote" is to write your Congressman, Hon. William S. Broomfield, House of Representatives, Washington 25, D.C.**
- Q. Why would anybody want to introduce and support such a poor bill?
- A. Mainly for political reasons. It sounds like the bill would help the elderly—and these people vote. However, the politicians didn't figure that these elderly people were smart enough to read the "fine print" and learn what the bill **doesn't** do.
