

Marian High

The senior class of Marian is in the midst of preparation for their first dance of the year, an informal record dance to be held on Saturday, November 24. Various committees are busily organizing and reorganizing their plans to start off the senior social events with a bang. Simple decorations will enhance the cafeteria, which will be transformed into a dance hall for the evening, the November theme lending itself to many imaginative schemes. Refreshments will be light and unelaborate, and tickets will be sold — "for fun and profit!"

To round out its calendar of events, the senior class is planning an academic night on Monday, Dec. 2. The night will be dedicated to an "expose" of the accomplishments and goals of the seniors in their studies this last year, academically the most important year of high school. It will be held in the evening for the parents of seniors. Each of the major departments—languages, science and math, for example, will feature a skit or brief panel exemplifying the aims of this year's curricula. The program is scheduled to take approximately ninety minutes and will be handled entirely by the seniors, including staging, costuming and all phases of production.

December 3 was chosen as the date for this event because it is the feast of the great scholar, St. Francis Xavier, one of the first companions of St. Ignatius Loyola. The senior class feels that this event deserves to be established as another senior tradition for the underclassmen to follow.

Final plans are now being made for the Marian United Nations on November 17 and 18. The agenda has been fixed and the program will open on Saturday morning with registration at 8 p. m. Committee meetings covering three areas—nuclear testing, Red China and Berlin will follow a General Assembly from 9:30 a. m. After a two-hour lunch break, which will include an hour for private caucus among nations, and more committee meetings by the general assembly will reconvene in the auditorium for discussion, debate and voting on Nuclear Testing and Berlin. About thirty-seven minor speakers are scheduled to deliver speeches during the afternoon. The assembly will close at about 5:30 p. m.

30 YEARS AGO

Voters of Birmingham, Bloomfield Hills and surrounding townships cast a new high total of ballots in Tuesday's election, but failed to elect the Roosevelt-Garner trend which swept the nation into the Democratic fold. Although both Troy and Southfield Townships gave slight majorities to the successful Democratic presidential nominee, Republican majorities of almost 3 to 1 in Bloomfield Hills brought the total vote cast in this section to 4,971 for Hoover and 3,927 for Roosevelt.

Abandonment of the depositors' committee plan to re-organize and re-open the First State Savings Bank which closed here June 16, 1931, and the payment of a 5 percent dividend to depositors by Charles W. Lee, receiver, are two important developments in the bank's affairs. The Executive was informed late yesterday afternoon.

Only the most meager of clues were at the disposal of police today in the attempt to solve three burglaries in Birmingham over the weekend and Monday morning which netted thieves more than \$13,000 in cash, stocks, jewelry and clothing.

15 YEARS AGO

Nov. 6, 1947
Floyd White, 18, of 29029 McArthur Street, Detroit, was shot early Monday morning as he attempted to rob a gas station at Telegraph and West Maple roads in Bloomfield Township. He is in St. Joseph Mercy Hospital, Pontiac, where hospital authorities yesterday reported his condition as "good." White was wounded in the upper right arm by station manager Joseph F. Loftus about 4:15 a. m. when Loftus, who lives above the station, investigated the sound of breaking glass.

With Jim Anderson taking second, the Birmingham cross country team placed fourth in the state meet at Ypsilanti last Saturday with a score of 138 points. Ypsilanti Central, the Maples area rival, successfully defended its state championship by placing first for the third consecutive year.

Birmingham thrilled to the lovely voice of Maria Montana last Wednesday evening as she dedicated her "One World" concert to the unfortunate children of Europe. She was assisted by Alex Crumpton, violinist; from Cranbrook, in Cherubini's "Ave Maria," and Robert Bates, also of Cranbrook,

Homecoming is one of the biggest events of the school year at BHHS. This year the first three days of November were devoted to homecoming activities and parties. The excitement began on Thursday,

Nov. 1, when a West Bloomfield Laker was burned in office at a bonfire. After the jubilant yells, the crowd moved into the gymnasium for the Gym Jam, a casual sock hop.

On Friday all students with tickets to the game and voted for the Homecoming Queen. Seniorly, also on Sunday, The Marian Model United Nations will join with a presentation of awards at 5:30 p. m. Sunday. The parents of the representatives and interested history students are invited to attend.

Next was the parade of floats and queen candidates. The queen was announced before the game. Her first duty was presenting the float trophy. The senior float was a West Bloomfield football shoe with the motto "De Feo Com." The juniors choice was "Lakers, the Breakfast of Champions." The sophomores favored "Barons, We're on the Ball."

candidates were Pat Remy, Ann Norris, Janet DeVlieg, Linda Waldron, and Barb Byer. The princesses were junior Pat Lack and sophomore Barb Calhoun. In the afternoon a pep assembly was held. During this assembly the spirit of Bloomfield was put on trial by Pep Club members. The cheering trophy was awarded to the most enthusiastic class.

The homecoming festivities were sponsored by Pep Club and the varsity and junior varsity cheerleaders. BHHS has four foreign exchange students this year.
