Arrange Your Home Mortgage Loan
right in the neighborhood where you work or live

The manager at any of First Federal's 16 neighborhood offices or anyone in the Main Office Mortgage Department will be happy to discuss a mortgage with you. We will try to point the way to savings on financing—and that means you have more money to put into a home.
We make home loans on FHA, GI and Conventional plans. You'll be interested in our "open-end" mortgages and how they benefit homeowners. We actually "tailor" loans to fit individual needs.
First Federal has become Michigan's largest home mortgage lender by giving good advice and good service. To buy or build a home, to refinance a land contract—see First Federal first, or phone WO 5-1400.
