

# Village Ready for Annual Skate, Ski, Sled Event

NITA HARD  
MA 6-3224

The Franklin Community Association's answer to the dilemma of cluttered closets is the annual skate, ski and sled sale.

Never one to take a slalom sitting down, the association has set Dec. 8 and the lower level of the Franklin Community Church for this opportunity to swap or sell sports equipment.

Those who need or want to sell outdoor skates, skis, sleds, rubber boots, toboggans, or sports clothing are invited to participate.

The sale will start at noon and run all afternoon. Forest Palmer and George Howard are handling the event and have added adult sizes to the list by popular demand.

**SPEAKING OF THE ASSOCIATION** and good old Franklin cusses, Dr. John Burger was elected the new president recently. George Howard is now vice-president; Fritz Gieb, secretary and Oliver Garwood, treasurer.

New directors Homer Hyde, Dr. A. Wade Bohne and Forest Palmer have been assigned as chairmen of the membership civic affairs and youth activities committees, respectively.

Past-president Dr. Ralph Smith will head the fund raising committee for the new community house while Robert Smith does publicity and Jack Roberts arranges programs.

**CUB SCOUTING** never dies in Franklin, it just takes a little longer to get going some seasons. After a slow start, they've shifted into high gear and Nov. 29 there'll be a monthly pack meeting at the Franklin school at

7:30 p.m. The Disney movie, "Man and the Moon" will be shown and Otto A. Glines will be guest speaker.

The December meeting will be held on Dec. 19.

Committee chairman Gordon Hothorn announces that Mrs. George Strumbos uncorked the bottleneck by agreeing to act as pack mother and Henry Menzel will be a full-feathered Akela for Feb. 10, 1961.

**KATHY LAUX** jetted home from Dallas for Thanksgiving. Arriving on Tuesday, she visited until Sunday with her family on N. Cromwell, then returned to her freshmen studies at Southern Methodist University.

A bon voyage party Saturday for Dr. Fiegelson of 13 Mile Road preceded his departure this week on the S S Horizon on the hospital training ship's mission for the people of Peru.

**CHRISTMAS STARTS** Dec. 19 for the Pon Olles of Adair Court this year. Submarine son Don is due home after four years of service. He'll come gift-wrapped with discharge papers and a few bright ribbons for meritorious performance of duty. There'll be time to pick a college campus by February, he hopes.

The Hollis Holidays of N. Greenbriar entertained the Stone Oaks neighbors last week for their monthly card party.

**EXPLORER SCOUTS** spent the crisp weekend at Lapeer for an overnight in the out-of-doors. Little Marion Stock's poem, "Thanksgiving Day," was read over the air last Thursday morning on Bud Guest's show. Marion is a fifth grader at Bloomfield Country Day school and lives at 26150 Hersheyvale.
