ECCENTRIC PHOTO

A picture like the above of Ann Shenefield and Peter Elliott Trees strolling hand in hand could have been taken almost any time during the past few months, so an engagement announcement came as no surprise to their host of Birmingham-Bloomfield friends. Ann, who is teaching fifth grade at the James B. Conant School, is the daughter of Mr. and Mrs. John Shenefield of Bennington Drive, Bloomfield Hills, and her fiance is the son of Mr. and Mrs. R. C. Trees of Oak Street, Birmingham. Ann attended Bradford Junior College and is a graduate of the University of Michigan, where she was a member of Kappa Alpha Theta. Pete has been graduated from DePauw and the Harvard Graduate School of Business. His fraternity is Phi Kappa Psi. The couple plans a January wedding.
