"WE LOVED IT"
"THE JOB PROMOTION WAS VERY welcome but brought many regrets in leaving our new home of only two years. We sure miss the lovely Americana charm and warmth of the beamed ceiling dining room with the pegged floor and corner fireplace. The three bedrooms provided ample room for our family, while Home Rec. and Full price was a pleasure to prepare the dinners in the kitchen with all appliances so conveniently located, saved plenty of steps. The large lot and trees all around the corner from the kitchen was most convenient—no stairs to climb. The family room in the lower level with the large wood burning fireplace where the family got together after dinner leaves us with many happy memories. A comfortable, family home in a neighborhood of friendly people."
The above in substance, is what the owner told us several days ago. We have the home for sale at $43,500, less than duplication cost in kind, and would be pleased to show it to you. Just call MI 6-1600 and name the time.
