Lathrup Curtails Working Hours on Landfill Project

LATHRUP—Working hours on a private landfill operation in the southwest corner of the city were sharply curtailed and a special meeting set for tonight at 8 at the AAA building to bring the council up-to-date on the landfill situation.

The landfill work is being done for the Charles D. Kelleys by contractor Louis Garavaglia. Kelley said he would provide photostats of the operation which would indicate grade levels, pending preparation of colored maps. Mayor Pro Tem Elizabeth Mitchell had asked for the maps at a July meeting, she said.

COUNCILMEN AGREED that the noise of trucks, bulldozers and equipment almost all night were a nuisance and set working hours from 7 a.m. to 6 p.m.

Kelley said he would direct the contractor who is doing the work for him and Mrs. Kelley to abide by the new hours.

Kelley agreed that work on land near the rear of the home of E. W. Mallon, 18184 Kilbirnie, would be discontinued until after tonight's meeting. Mallon said the fill would raise Kelley-owned land about "14-16 inches" above the existing grade on the Mallons' property.

THE KELLEY'S PROJECT is being done under the direction of Ayres, Lewis, Norris and May. They are also the city's engineers.

The landfill has been going on for several weeks, mainly on the west side of Southfield, in the area north of 10½ Mile Road.

Cogger said the widening of Southfield Road in other communities provided an opportunity to bring the area up to grade. He said Ray Smit on ALN&M had satisfied him that natural drainage and road rights-of-way would be restored when the project is completed. Smit will be present at tonight's meeting.

Kelley said he believed the landfill work was completed on the east side of Southfield Road, on land near the back of the AAA building. The engineers are directing and inspecting all the work daily, he said.

Township Board Has Busy Evening

WEST BLOOMFIELD — Three resolutions were passed last week by the township board.

One officially recognized Oct. 24 as UN Day.

Another commended auxiliary policeman Joseph Nephew for saving the life of a youngster, Glenn Martin Embry of Mt. Clemens. Nephew rescued the boy from drowning in a swimming pool in Walled Lake last August. He revived the boy with mouth-to-mouth resuscitation.

A third resolution sent condolences to Mrs. Hiland Thatcher for the death of her husband. Thatcher, who was Oakland County road commisioner at the time of his death, is a former supervisor of West Bloomfield Township.

Kids Have a Holiday; Teachers Hold Meeting

School will be in recess for about 180,000 Oakland County school children today and Friday while their teachers attend the annual meetings sponsored by the Michigan Education Association and the Michigan Federation of Teachers.

Teachers will meet today at Detroit's Cobo Hall and Convention Arena for the general meeting of the MEA conference. "The New Image of the Teacher" is the theme for the conference.

Groups meeting will be held Friday at 97 centers to discuss special educational problems and subjects.

THE FEDERATION - sponsored Metropolitan Institute for Teachers will hold its general meeting Thursday at Grosse Pointe High School and split into group sessions throughout the metropolitan area Friday.

Main theme for the Federation meetings is "Education in the Space Age."

Seven Oakland County centers will host all-day group study meetings Friday, three of which are in this area.

Educational secretaries will meet at 8:30 a.m. at Michigan State University at Oakland. Sessions dealing with teaching techniques will be held at 9:30 a.m. at Southfield High School.

Birmingham's Groves High School will be the site for a program on teaching tools at 10 a.m. This session will cover such techniques as the use of educational films.

'Hadassah Month' Proclaimed by Mayor Willett

In honor of the golden anniversary of Hadassah, the women's Zionist organization of America, Birmingham's Mayor Florence H. Willett has proclaimed Oct. 16 to Nov. 16, "Hadassah Month."

The organization has a membership of 318,000 through which it carries on a nation-wide program of education and action for the extension of American democratic values in the United States.

The Birmingham-Franklin group of Hadassah has a membership of 300.

HADASSAH HAS built an ultra-modern medical center consisting of twenty-one structures located on a 70 acre tract in the Judean Hills, called Kiryat Hadassah, (Hadassah Town) on the western outskirts of Jerusalem, Israel.

Next Tuesday the local Hadassah group will meet at the home of Mrs. Paul Borman, 1346 Ardmoor, Birmingham, to receive the proclamation from Mayor Willett.

Mr. Borlet

Midshipman first class Robert A. Borlet, son of Mr. and Mrs. Chester G. Borlet of 6222 Lahser rd., Birmingham, has been named by the superintendent of the U.S. Naval Academy at Annapolis, Md., as a platoon commander with the midshipman rank of lieutenant (junior grade) in the 4,000-man brigade of midshipmen.

Simply dial Midwest 4-1100 and a trained "ad-visor" will help you word your ad.

Little League Roundup

If you want to see real enthusiasm, go see a Little League football game.

There was plenty of hard-nosed playing, several close contests and one tie in last week's action.

The Badgers beat the Hawkeyes 12-0 on the basis of fine running by Ritchie Bowman. He scored both touchdowns on dashes of 35 and 45 yards. Jeff Watts and Mike Adams threw some key blocks to break Bowman loose.

IN A VARSITY contest, the Browns, led by Bob Cornillie with two touchdowns, staved off the Wolverines 14-0. Bill Brier caught a pass from Bill Rose for one extra point and Gregg Givens made the other on a two-yard run.

The Tigers nipped the Spartans, 13-6 in the other varsity tilt, behind the running of Craig Heyl and Tom Ellis, both of whom scored touchdowns. Sandy Heavenrich accounted for the losers' tally on an end run.

In an endurance contest, the Gophers outlasted the Hoosiers, 14-12. The winners scored on a 10-yard run by Tom Deyoe and a 45-yard jaunt by Dave Girard. Dave Girard and Al Menkle picked up the crucial extra points. Scoring twice for the Hoosiers was Randy Batson, on a 43-yard play and an intercepted pass.

THE WILDCATS and the Buckeyes fought to a 6-6 deadlock. Pat Connelly sneaked over from the two for the Wildcats and Ian Muir scored for the Buckeyes.

The Boilermakers chalked up points in each of the first three quarters to whip the Indians, 19-7. Steve Eyler scored twice—from the two and from the three—and Kevin Gleason ran seven yards for the other touchdown. The Indians made their lone touchdown on a 50-yard run.

In the Pacific

Charles D. Spier, radioman seaman, USN, son of Mr. and Mrs. John A. Spier of 1363 North Woodward, Birmingham, is serving on the staff of Commander Cruiser-Destroyer Flotilla Three, currently in the Western Pacific with the Seventh Fleet.

The University of Michigan's Radio Astronomy Observatory has obtained measurements of natural radio emissions from the planets Saturn and Mercury.

Better Jobs With More Pay in Business Offices
Excellent career opportunities, in business, industry and government abound for those who qualify.
There is no "short cut" to personal and financial success. Leading businessmen throughout the world attribute their success to opportunities gained through the knowledge of bookkeeping, office machines, business law, math, English and related business training.
Successful secretaries, who enjoy highest incomes and the best working conditions, are quick to point out that "half-training" is not enough. Only those who are well trained can command the better positions.
Pontiac Business Institute has been preparing men and women for better jobs and higher salaries since 1896.
