

# Marian High

By CAROL JURICA  
Special Writer

The newly-formed drama club of Marian held its second meeting on Oct. 16, at which time temporary officers were appointed. Gail Osborne is the tentative president of the club; Sharon Michael, vice-president; Linda Scheerer, secretary; and Mary Jo Dobski, treasurer.

After dues were collected, a representative number of members acting as council met with the club moderator, Miss Essler, to plan the first production of the club, "The Madwoman of Shalott," to be presented in the near future for the enjoyment of the club.

Still another new club has joined the Marian rank and file, that is, the Choral Club. President, Sue Pasiatowski, says that future plans include a concert for the aged at Carmel Hall in November and later a program for the school on Dec. 7 in honor of the feast of the Immaculate Conception. Other officers of the Choral club include: Pat Outback, vice president; Carol Viale, secretary; and Mary Slowik, treasurer.

A mixer was sponsored by the juniors for the freshman class on Oct. 18. The freshman and sophomore classes of Brother Rice high school, the adjoining boys' school, were invited to the dance which began at 8 p.m. This year's sponsored mixer is one of Marian's

traditions, as established by the present senior class.

About 140 Marian girls will attend an evening of entertainment at the University of Detroit Merit building with Robert Frost, famous poet and lecturer, on Nov. 14. Mr. Frost will read several of his creations and then open the floor to informal group discussions with the girls.

Undoubtedly have many treasures to bring back to their English classes after that intellectual event.

The school-wide yearbook drive for patrons and sponsors drew a triumphant close on Oct. 16. The purpose of the drive was to finance Marian's first yearbook, "The Marian Way." The senior class, which brought in the most money, will have an afternoon party with refreshments as a reward for their superior efforts.

Pat Outback, the individual high scorer, and the varsity team defeated the girl with the greatest spirit in this project. All are to be congratulated, however, on their help to launch this first yearbook.

Blue Police Lights  
BLOOMFIELD — Police Chief Norman Dehnke announced today that blue flasher lights have been installed on township police cars. Dehnke said the new lights should aid drivers in recognizing police vehicles, particularly in situations where they must yield the right of way to police cars.

# Barnum Trojans

By BILL COLLINGS  
Special Writer

On Wednesday, Oct. 17, the Barnum football team played its fourth game with the team of Norup Junior High in Berkeley. The game was played on a bright, sunny day, but the Barnum squad still could not fight its way to a victory. The final score stood Norup, 26, Barnum, 0. The next game will be Barnum's only "home" game. It is to be played at Pierce Field on Wednesday, Oct. 24, with Hazel Park. We hope to see a big crowd there, though the game will have already been played by the time this reaches the reader. The Barnum squad, though having had luck on the gridiron, is still in good spirits, and is doing much work. The boys enjoy playing in the game, and are not undaunted by their defeats.

will perform at program and at the half time. Much preparation goes into the band formations, as well as the music they will play. Construction has started on Barnum's new science wing. The new wing is expected to be completed by the end of March. It will be a welcome addition to our school and it is the first new construction on Barnum since the section containing the cafeteria was added in 1954. The students are looking forward to the completion of the Science wing as they will have available many facilities that now are not at hand.
