

Brother Rice Revisited

It was back to school for these members of the Brother Rice Dad's Club recently as they attended short classes to acquaint them with the courses taken by their sons. Above, Brother M. D. McKenna gives a quick resume of each course, describes the methods of teaching and outlines what is expected of the boys. A business meeting followed the demonstration classes, at which the principal, Brother N. B. Hueller, spoke and introduced the faculty.

Groves Falcons

Friday, Oct. 25, will be Band Night for the Birmingham school area. It will be held at the Seaholm football field before and during half-time for the Groves-Haston football game. The pre-game show begins at 7:45 p.m. and the game begins at 8 p.m. Bands from Seaholm, Derby, and Barham will participate along with both junior and senior groups from Groves. The bands will give a combined performance at the half. Band Night is a traditional event that is generally held the weekend before Halloween.

Groves' Homecoming game was lost to Riverside Friday night, Oct. 12, by the score of 12 to 0. The Regalia Ball, a semi-formal dance,

held the following night, also welcomed back members of Groves' first graduated class. Honored guests at the dance were Mr. and Mrs. William Sharrard, Mr. and Mrs. Charles Lundy, Mr. and Mrs. Harold Newcomb and Mr. and Mrs. Ronald Ralph. Chairmen of the dance were: Dave Downs, general chairman; Karen Kaljian, dance committee; Cheryl Brozic and Frank Jankie, decorations; Marilee Hurl and Ann Lawrence, chaperones and invitations; Jim Hohmeyer, music; Judy Barlow, refreshments; Maryanne Swoboda, tickets and programs; Cindy McKenzie, publicity; and Pete Millington, cleanup.

Music was provided by Bill Gail and his orchestra and the dance lasted from 8:30 to 11:30 p.m. Four days previous to the dance the senior high had voted on seven senior girls selected by their roommates. The winner, Connie Lee, reigned as queen of the Regalia Ball and the other six, Judy Byers, Laura Cline, Jan Floyd, Gail Habrie, Ann Lawrence, and Helen Matthews, served as her court.

Senior High Student Council, with president Dick McIntyre, vice president Jim Whitney, secretary Judy Byers, and treasurer Judy Barlow, met Oct. 10 with the representatives and alternates of all sophomore, junior, and senior home-rooms.

The purchase of a record board for swim events was discussed. This is a board that displays the names of school pool, and state record holders in all swimming events. Since the Varsity Club has agreed to pay approximately half the cost, it was voted and approved that Student Council pay the remainder from its treasury. Income for the treasury is obtained from dances, school parties, food sales, the milk shake machine, and various other activities.

Because the IBM machine at Michigan Bell Telephone Co. is marking report cards this year, the former number grades were received for cooperation and effort will be merged into one citizenship grade. This grade will be based on a different scale than that of previous years, and as a result an amendment to the constitution was proposed. This amendment, voted on and approved by the senior high home-rooms Oct. 17, will set up a new grade average requirement in citizenship for members of student

council that is more in agreement with the new system. Meetings for the Senior High Student Council will generally be held every other Tuesday, alternating between fifth and sixth hour.

Kingswood School

The students of Kingswood have one project completed and another under way to raise money for the American Field Service Fund. One project, which has already been completed, was the sale of Christmas cards. The cards were several different choices of Christmas scenes painted by A.F.S. students or members of the association. The sale was held by Mary Jane Barthwell, the vice-president of Student Council, and Lee Mahacharadi, the A.F.S. student from Thailand.

The other project, sponsored by Student Council, is an international bake sale, to be held Friday, Nov. 2. It is being generally organized by Julie Graham, the president of the Council, although the entire student body takes part. Students from all classes will bring baked goods typical of various foreign countries as well as American food. The bake sale also includes a contest which will judge the most outstanding contribution.

On Monday, Oct. 15, the junior class was very fortunate to have a guest speaker, Mrs. Bigelow, of Pembroke College, during its class meeting. She first explained the different divisions of the college and the branches of studies in which they specialized. The remainder of the time was open to questions from the girls, and from these, many aspects of the college were covered.

In the last hockey game, which was held Oct. 12, the Reserve team played the Reserve team of Bloomfield Hills High School, and Kingswood won by a score of 3-1. Julie Williams made two of the goals, and Julie Graham made one.

Come See the Crisp, New, Custom Look of **CHRYSLER '63**

The luxurious New Yorker

... a big, beautiful step ahead in style... in value

STYLE: you can see for yourself why fashion and design leaders praised the clean, unflashy, custom look of the '63 Chrysler. It's right in step with America's mood for the crisp, uncluttered style in clothes, furniture, appliances, architecture.

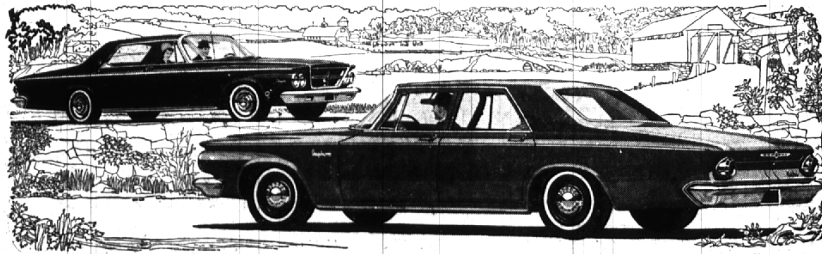

VALUE: Chrysler's timeless, no-fad styling can mean more solid enjoyment while you own it... more return when you

trade it. Of course, all Chryslers are full-size, inside and out. We build no frictions. All Chryslers have V-8 engines... steady, solid torsion-bar ride and have a power-train that is warranted* for 5 years or 50,000 miles. This is the kind of value you can invest in with confidence.

See your Chrysler dealer—for the big, beautiful step ahead to Chrysler '63.

Big, 5-year/50,000-mile warranty that protects '63 Chrysler owners from power-train problems.

*Your authorized Chrysler Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter, drive shaft, universal joints (excluding dual control); rear axle and differential; and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Chrysler Certified Car Care schedule.
