Schools Get First Payment Of State Aid

Money from the state was distributed last week to Birmingham area school districts through Oakland County Treasurer Charles A. Sparks. Sparks said he was releasing \$241,500 to the Birmingham School District and \$64,500 to the Bloomfield Hills Schools. Southfield School District's share of the first apportionment of state aid money to schools this year is \$150,000.

Chief

 a touch of irony. "It isn't. You always worry about the possibility of complications."

IN FACT, THE experiences are so indelibly imprinted in Dehnke's memory that he can recall exactly when and at what intersection each birth took place.

Perhaps, most vivid is the first experience. In the midst of late-afternoon traffic at the corner of Gratiot and Hastings, he delivered a baby born to a 300-pound mother in the back seat of a 1946 sedan. "Conditions were a bit crowded," he understated, as a shadow of remembrance flitted across his face.

HE LAUGHINGLY recalls another instance. A Livonia couple racing through the township for St. Joseph's Hospital flagged down his squad car. He came to the mother's assistance at the corner of Lane Pike and Telegraph and accompanied the parents and their newborn baby to the emergency door of the hospital.

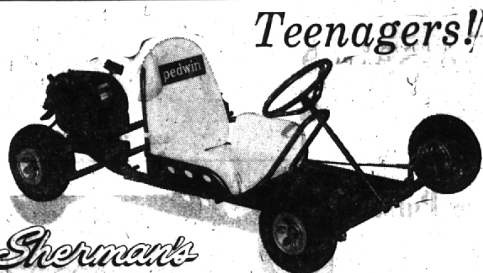

The next day he received a call from the father. Instead of thanks, Dehnke got the bawling out of a lifetime. The father had found out his medical insurance didn't apply when the baby wasn't born in a hospital!

THIS IS a point that Chief Dehnke has made a number of times in speeches before township residents. To this discouraging note he reassuringly adds that, at least, the township police have had some education in obstetrics.

Each has attended a class in this field as a part of their course at the Southeast Michigan Chief of Police Association Training School. Also, the police are always only a

telephone call away when needed for such an emergency.

WITH A NOTE of relief in his voice, Dehnke says he's sure that he has made his last delivery. With a 16-man police force now in the township, he is no longer on squad car patrol.
 "I'll be behind my desk, and one of the other members of the force will get the next call," he says with a grin.
