**Engagement Announced**

The Walnut Lake Women's Club will hold their annual tea on Sept. 11 between 1 p.m. and 3 p.m.

The weather will determine the location. If it is cooperative the group will meet in the lake-front garden of Mrs. William Crorey, 2010 Putnam Dr. If the weather is inclement, however, they will move directly next door to the home of club president Mrs. Julian Ofenstein, 5454 Putnam Dr. The afternoon will be social with the theme still a surprise. Members may invite friends, especially newcomers to the area.

MRS. OFENSTEIN and Mrs. Crorey are co-chairmen of the affair. They will be assisted by Mesdames Dwight Butler, John Thompson, W. L. McCane, John Walters, Roy Eder, John Warren, Corville Morrow, Joseph Anderson, John Smith and Elaine Treadwell Golder.

**FAMILY FUN** is the keynote for the annual corn roast the Walnut Lake Sub 2 Association is having on Sept. 8 at the club house at 7 p.m.

Everything has been geared to family participation and parents are encouraged to bring their

children along. All the corn you can eat, hay rides for everyone and Cliff Williams Combo orchestra for dancing will round out the evening.

Clifford Welker is this year's chairman and he will be assisted by Jay Winslow, Harry Mullens and Oliver Sartind. Get in touch with Mrs. Welker for tickets or more information.

**WEST BLOOMFIELD**

The many friends of Donald Morris, son of Mr. and Mrs. Robert Morris of Inkster Rd., will be happy to hear that he will be flown by his father to Washington, D. C. to attend Gallaudet College, the only college in the world especially for the deaf.

Donny's ambition is to become a coach in a school for the deaf. Donny will continue diving and he has hopes of someday competing in the A.A.U. championships.

**BRAES**

The Clancy's, who were former area residents, were recent visitors in the home of Mr. and Mrs. Ugo Ruzzin on Walnut Lake Rd.

**TENTING ALL** the way to Yellowstone National Park and then through the Rockies was a

picnic table enjoying what would have been their lunch. The Griggs did not disturb the bear. Mr. and Mrs. Bill Campbell were along and enjoyed the trip, too.

**THE WEATHER** was bad but that didn't stop the Bernardins from having fun on their vacation.

Mr. and Mrs. Jim Bernardin and sons Tommy, Jimmie and Johnnie spent a week at Onaway exploring, hiking and doing "just a bit" of fishing.

**KIRKWOOD** Everything is back on an even keel once more at the Mayford Roark home on Raven Rd. Daughters, Lynn and Kathryn, have returned after spending two weeks at Camp Westminster at Higgins Lake. While the girls were gone the guest rooms rang with the happy sounds of houseguests, including Dr. and Mrs. Paul Clark and their four children. The Clarks are from Williamstown, Mass. where Dr. Clark is a professor at Williams College.
