

Vacationers Delight in Climbing Cliffs and Swimming in Streams

GLORIA JESSUP
MA 6-3257

The R. J. Romeyn family of Calderwood Road have returned home from a one month vacation. Mrs. Romeyn and Richard, Karen and Daryl went to California and visited Mrs. Romeyn's sister in San Francisco, until Mr. Romeyn flew out to join them.

The family car was sent out as when Mr. Romeyn arrived they began touring. The families' first experience at camping was at Yosemite National Park.

HIGHLIGHTING the children's trip were such events as swimming in the rocky streams, a tour of Disneyland and climbing on the cliff dwellings at Mesa Verda.

Steps were also made at Las Vegas, Bryce Canyon, Grand Canyon, Phoenix and in Chicago to see another sister of Mrs. Romeyns and to attend the famous Puppet Opera.

DR. AND MRS. Roy A. Klages returned last Thursday to their Meadow Way home following a one month tour of the country. Accompanying their parents were Vandy Parr, who will be returning for her junior year at the University of Michigan this year, and Mary Klages and Larry Parr, both Bloomfield Hills students.

The Klages family sometimes camped in national parks as they toured. They enjoyed visiting Mt. Rushmore in Custer Park, Yellowstone, Salt Lake City, Las Vegas, Los Angeles, the Grand Canyon, Mesa Verda, Denver and St. Louis.

In Cape Girardeau, Mo., they visited with Dr. Klages' family. Mrs. Klages' family joined them at Kentucky Dam Village for a few days.

MRS. ROBERT H. Morrison of Trenton, N. J. is spending two weeks as the houseguest of her son and daughter-in-law, Mr. and Mrs. R. J. Morrison of East Surrey.

The two Morrison boys, Rob, 14, and Scott, 8, returned recently from a month at Chippawa Ranch at Westman, Mich.

Previous to going to camp Rob, who is an eagle scout, was honored by being chosen one of 33 boys from the metropolitan area

to attend Philmont Scout Ranch at Cimarron, New Mex.

The ranch is situated on 127,000 acres and the scouts spent many days hiking with only the gear they could carry on their backs. The boys went by bus to Chicago and then took the train to New Mexico.

Another boy from the Foxcroft area who attended was Merritt Hitt, who is a life scout. Merritt is the son of Mr. and Mrs. Wright Hitt of Valley Forge.

The Village Swim Club at 411 1/2 Mile and Evergreen Roads is well initiated following the grand

opening on a recent Sunday afternoon. The diving team from M. S. U. and many members helped make it an afternoon of fun.

Committee members who worked to make the pool a reality were President Larry Till; Vice President Walter Baughman; Secretary Jack Heaton; Treasurer Don Forrest; Assistant Secretary-Treasurer Tom Munson and members of the board, Art Detrisan and Frank Pepp.

Their Time Belonged to Somebody Else

This trio of pretty Birmingham girls, soon to take off for college, claims they had the most rewarding experience of their lives working at William Beaumont Hospital this summer. As volunteer replacements for members of the Women's Service Committee, their chores included working in the library, sorting and delivering mail, manning the

visitors' information desk, being messengers and trundling the service cart up and down hospital corridors. Kathy Good (from left) will be a student at M.S.U. this fall; Sharon Ann Mok is enrolled in the Georgetown School of Nursing and Cynthia Trisler will be a junior at Washington College in Chestertown, Md.
