

### Local Gray Ladies To Extend Service In B'ham Area

Arrangements were completed this week for the Gray Lady Society of the American Red Cross to extend its volunteer activities to Pontiac Osteopathic Hospital shortly after the new section of the hospital is opened this fall.

Announcement was made following a conference on the proposed activities between Hospital Administrator Harry H. Whitlow and Mrs. W. C. Spruill, chairman of the Gray Lady Service of the Oakland County Chapter, American Red Cross.

Some forty volunteers will start

work as soon as they complete their training in a course that starts on October 16th and continues two afternoons a week for three weeks.

COMPLETE information can be obtained at the Pontiac headquarters of the American Red Cross, 118 Franklin Blvd., where applications for the first group are now being received.

After this group has entered upon its duties, other classes will be started to provide an adequate number of trained volunteers to meet the needs of the hospital which by the end of the year will be area's largest with a capacity of 100 beds.

The training courses will include patient and non-patient activities and will parallel those in which several hundred Gray Lady volunteers have been trained and are now serving in Pontiac General Hospital, St. Joseph Mercy Hospital, Pontiac State Hospital, Medical Care Facility and others throughout the county.

Training for the specialized services of Pontiac Osteopathic Hospital will naturally be included in the courses now being planned.

### Study Blueprint for Youth

Reviewing building specifications of the new Junior Achievement business center serving the North Detroit suburbs are (1) Henry J. Moses of 4751 Cove Road, West Bloomfield Township chairman of JA's program committee and JA board chairman Ross Roy of Grosse Pointe Shores. The building—located at Woodward and 13 1/2 Mile

Road in Royal Oak will be the second largest Junior Achievement business center in the nation. It will be ready for occupancy by Oct. 1. The center which replaces former JA centers in Birmingham and Royal Oak will serve teen-agers from this area and nine other adjacent communities during the seven month Junior Achievement year.

### Studies Use of Air Space Over Freeways

The use of air space over Interstate highways is a possible answer to some of the problems of big cities, the U. S. Department of Commerce reports.

### Water Death Toll: 9 Drown in State On Holiday Weekend

Nine drownings over the Labor Day weekend brought Michigan's water death toll for the year to 194 in 370 accidents, according to State Police provisional records.

Compared with the first eight months last year, this was an increase of 12 in drownings while heavy water sports activity in the accident total was 64 fewer, Michigan.

The 165 reported injured was 33 fewer than the 196 total for the comparable 1961 period.

The water death toll to date includes 80 swimmers or waders, 27 boat passengers, 24 boat operators and 32 who fell from bridges, banks, docks or piers. Miscellaneous accidents accounted for 30 other deaths.

The water toll is expected to drop off appreciably in the remainder of the year since the Labor Day weekend marks the ending of heavy water sports activity in Michigan.
