a salute to the dance teachers of our city!

Our hats are off to those gallant people who carefully, patiently teach our children not just dance steps, but the rudiments of poise and social grace.

Any mother who's watched an awkward duckling transformed into a graceful swan under such a teacher will join in this tribute.

If your young one hasn't started to dance yet, if you haven't fully investigated the ways in which dance can help achieve self-confidence, why not stop at our Capezio Dancer's Corner? We

have lots of information on dance, a list of teachers in your area, PLUS a complete line of dance footwear and accessories by Capezio, the Dancer's Cobbler since 1887.
