## Couple Wins New Boating Trophies

By ELIZABETH YATES  
MI 6-1682

The William McCurdy's of Langran Drive have added more boating trophies to their ever-growing collection this summer and fall.

The most recent trophy was awarded to McCurdy, skipper of the 34-foot sloop the "Challenge," for an all-night race in which 22 boats participated in Class D at the Bayview Yacht Club. The award presentation will be made at a dinner slated for November at the yacht club. McCurdy sailed under the Detroit Yacht Club flag.

The "big race" of the season was the Mackinac race in July in which the "Challenge," after three days sailing in choppy waters, took first place in Class D.

THE McCURDYS have been in eight Mackinac races, winning plaques and two first-place trophies. After the race the McCurdys took their annual vacation cruise in the Georgian Bay re-

gion. This was the first year sons Skip and Bill haven't been along.

DR. AND MRS. Wallace McWhirter of Langport Lane and their children, Karen, Brian and Stephen, have returned after spending three months visiting in Germany.

They flew to Frankfurt and on arrival found that, through a mixup, their luggage was forwarded to Stuttgart but they were left stranded. The family finally was sent on to Stuttgart via taxi—a 100-mile trip.

During their stay, they visited Mrs. McWhirter's parents, Dr. and Mrs. Hans Schiffmacher, and relatives and friends. With the German schools in session, Karen joined other seven-year olds in attending school for two months during for stay. With mother's help she and brother Brian now speak German fluently.

While the children stayed with their grandparents, Dr. and Mrs. McWhirter toured Switzerland and parts of northern Italy for two weeks.
