**All your winter things thoroughly drycleaned in just 50 minutes!**

(with savings up to 75%)

It takes only 8 quarters to do a full 8 pound load. A snowsuit, topcoat, two sweaters and a dress, for example. Or two blankets and a chair cover. Or two pair of 48x90 lined drapes. Or ten ski sweaters!

The point is, you can't help but save. The few minutes it takes to pile your things into our Poly Clean machines and take them out again (thoroughly drycleaned, moth-proofed and deodorized) can reduce your cleaning expenses by as much as 75%.

Your things will be cleaner than usual, too—thanks to our individual filtering system for each machine.

We'll even help you sort, spot and load, if you like. So there's really not much to it. We also provide cellophane bags free of charge. And we couldn't be handier. Right behind Demery's with a big parking lot out back and a jar full of nickels inside if you're in need of change for the meter.
