WATCH THIS FOR A LIFT

Those familiar trucks with the friendly AAA oval pulled, pushed and dug #45,316 Automobile Club of Michigan members out of assorted motoring troubles in the last 12 months.

More than 1,700 emergency vehicles throughout the State, 250 of which are equipped with 2-way radios, were only a phone call away for member help on 24-hour basis all year long. Another 21,000 AAA-appointed garages all over the United States were also standing guard over those Auto Club members who traveled the highways outside of Michigan.

These Auto Club members received a lift when they needed it most. How about yours?
