THERE IS NO SUBSTITUTE FOR KNOW-HOW

Knowledge, understanding, proficiency and insight are all gained through experience. This is why the Exchange at the Auto Club has people trained and experienced in analyzing facts and knowing the law in accident cases.

Trained personnel are on hand in all offices of the Immigration and Naturalization Service to answer any questions the reporting alien may have regarding immigration and naturalization matters.

Aliens Must Report Their Addresses

Walter A. Sahli, Detroit district director of the Immigration and Naturalization Service, has advised that the annual Alien Address Report Program is again under way.

Forms with which to make the reports are available at all post offices and Immigration and Naturalization Service offices. It is an easy matter to fill out one of the cards and return it to the same office, says Sahli.
