CRANBROOK VILLAGE

The Cranbrook Village North branch WYFCA has seen the results of their latest project taking place. That is, the beautifying of the Cranbrook north entrance. Two tall Christmas trees were planted and decorated with more than a hundred lights during the Christmas season. Six green oaks planted recently also give an idea of what is to come when weather permits.

The January meeting of the branch was held Jan. 7, at 12:30 at the home of Mrs. James Lickly on Northgate.

Mrs. Claude Watkins spoke at the meeting on flower arranging when the scheduled guest speaker was unable to attend the meeting. Co-hostesses were Mrs. John Brian and Mrs. Gallen Hobbs.

SOUTHFIELD

The Optimist Club of Southfield has begun formulating plans for the "Southfield Fair" which they will sponsor on July 3 and 4 of this year. It will be held, as last year, on the high school site at 10 Mile and Lahar roads.

Chairman again this year will be Wayne McDonnell. He said that the plans call for a community effort type fair, with all

service clubs and organizations being given the opportunity to operate concessions as fund-raising projects of their own.

Last year's fair was jointly sponsored by the Optimist and Upper Teens, Inc. The \$3,500 profit was used primarily to pay off Upper Teens' debts and to help defray expenses of moving the Upper Teens building to the city civic center.

THE BUILDING and all equipment has been turned over to the Southfield Parks and Recreation Commission for city operation.

The Optimist Club of Southfield will hold their regular meeting tonight at Howard Johnson's Restaurant, 10 Mile and Northwestern, at 6:30 p.m.

A REPORT will be given by Wesley Hillstrom, who has been delegated by the club to attend the Wolverine State Boys meeting in Detroit.

The program will consist of four Western High School students. They will describe their reactions to the American high school student foreign exchange program. Participating will be Tommy L. Denmark, Betty Schutze of Germany, Becky Scripture of West Berlin and Jane Hommel of North Holland.

LATHRUP

On Monday an American Red Cross home-nursing course will begin. It will be taught from 8-10 p.m. at Lathrup School, 2700 Southfield Road, one a week for seven weeks. For further information contact Mrs. Gloria Semonian of Glenwood Road.
