At the same time, Nino Ambrosiano, formerly special assistant to the president in charge of food services in the Food Services Division.

Let Pros Repair... Ailing electric appliances and fixtures should be placed in the hands of professional repairmen... The Institute for Safer Living of the American Mutual Liability Insurance Co. warns that amateur electrical repairing not only is likely to prove more costly in the long run but also is a principal cause of home fires and injuries.

N.Y. Life Insurance Offers Lower Rates For Second Time

The second major reduction, in less than a decade, in life insurance premium rates by New York Life Insurance Co. has been announced by Gilbert S. Morton, general manager of the company's Bloomfield-Detroit general office.

Morton says that premium reductions will average about five percent on most new life and endowment plans and will average as high as 10 percent on some new term insurance policies.

He says his company is returning to an across-the-board interest rate guarantee of three percent, one of the highest in the industry.
