MAPLE-CRANBROOK

Have you ever wondered how it would feel just to fly off into the wild blue yonder? Mr. and Mrs. Jim Decker of S. Cranbrook Cross do just that with their family. Decker pilots his own plane and admits he finds it a little trying to drive from here to the airport. But, he claims, the minute they take to the air the children are literally angels.

Recently, the Decker's flew down to Covington, Ky. to visit Mrs. Decker's mother. While in the area, they visited an uncle, Congressman W. E. Hess in Cincinnati, and then took to the air again to view the scenery around Lexington. The following week end they flew to Chicago for a visit with Decker's family.

MR. AND MRS. LES Getz of S. Williamsbury have returned from a trip to southern Cali-

fornia. They traveled for approximately three weeks sight-seeing and visiting relatives and particularly enjoyed a visit to Disneyland.
