

leave the traveling to us!

Birmingham has more of everything . . . including the finest in imports, at your favorite Birmingham store, without even leaving the country! That's where we come in. Our buyers are forever seeking far away places to bring you the extraordinary in merchandise. Of course, this is just one of the many benefits you enjoy when you shop Birmingham. Service, convenience, selection and downright friendliness are yours, too. Enjoy the late shopping hours so the whole family can make shopping a real treat. There are 4 municipal parking lots located in the downtown area. See you soon. The pleasure is all *hours*.
