Seaholm's annual Field Day, scheduled for Oct. 25, now is drawing the attention of an eager student body. Field chairmen have been elected and plans are underway for a successful event.

For the second year, Andl Everett will lead the class of '64 as their chairman. Last year's president, Seniors, under her leadership, upset tradition and won the cider barrel. They were the fifth Junior class to win.

This year's Junior class has selected Kathy Belt to represent and organize the class in its campaign. They give every indication that they will be a hard force to beat. Choosing Leslie Baird as their chairman, the Sophomore class is preparing on enthusiastic ally for this thrilling event.

AGAIN the Piper, the SHS yearbook, has received the highest rating awarded by the National School Yearbook Association, located in Columbia, Mo. For the fourth consecutive year, a rating of "A" plus was given to the Piper. Fewer than 5% of all high school annuals throughout the country, that enter the contest, receive such a rating.

Editor Elaine Bishop of the 1963 book and her staff were complimented by Mr. Thomas Hammel, publications adviser. Special attention was called to the cover design. Judges commented that it was an excellent book, telling the story of a high school year with group and tremendous pictures.

Kathie McKenzie, Barb Elliot and Janis Finley represented SHS at Girls' State, held at the University of Michigan June 19 through 28. By electing a governor and setting up a mock legislature, the girls were taught how the government of Michigan operates. Highlights of the week were speeches by Governor Romney and Former Governor Swainson.

To acquaint members of the Junior class and their parents with the American Field Service program, the adult chapter of AFS held an introductory meeting last Thursday. Qualifications of applicants wishing to go overseas were explained and Birmingham families willing to take foreign students next year were informed of the procedure.

Speakers at the meeting were Mrs. Robert Spencer, president of the adult chapter; Mrs. Darling, dean of students; Dave Zimmer, Seaholm's AFSer to Chile and the three foreign students attending SMS. Diane Harrington, chairman of the student AFS committee, acted as mistress of ceremonies.

ALREADY planning for their 1964 water-ballet show, are Seaholm's Aquaballets.

Barb Elliot, president of the club, has announced this year's theme as Broadway hits. Presently a clinic is being held to teach sophomores the basic required stunts. Tryouts will start today. The club plans to have only 70 members this year as compared to the 107 members last year. Miss Sue Dhooge, club advisor, will help in the organization and get practices underway.

GAA, Seaholm Girls' Athletic Association, is sponsoring an open house tonight in the gym at 7 p.m. for all interested girls. Plans for the night include volley ball and badminton. Presiding over GAA this year are Nicki Searls, president; Linda Spence, vice-president; Karen Wagner, secretary; Lind Rettray, treasurer.

AT THE first meeting of Student Congress, President Dave Zimmer named members of two special

Birmingham Girls Begin Second Year At Bishop's School

Nancy Booth, daughter of Mr. and Mrs. John McLaughlin Booth, 435 Waddington Road, Birmingham, is attending The Bishop's School in La Jolla, California. She will enter the tenth grade at the Episcopal school for girls.

Nancy's paternal great-grandmother was Mrs. Ellen Scripps Booth. Members of the Scripps family aided The Bishop's School in its early years. Miss Virginia Scripps gave the 22 acres for the school campus and Miss Ellen Browning Scripps made the gifts to provide for the original buildings. Both women were sisters of E. W. Scripps, the newspaper publisher. Miss Booth is the first member of the Scripps family to attend the school in several years. She has been a student at the Bloomfield Country Day School.

Nancy Yarman, daughter of Mr. Homer L. Yarman, 447 Madison, Birmingham, will also be a sophomore at Bishop's. She attended Derby Junior High School.

La Paz, Bolivia, highest capital in the world, is located almost 15,000 feet above sea level. Despite the city's lofty elevation, it is located in the bottom of a deep canyon, protected from the fierce winds sweeping across the rugged Andes.

Country Day Boy Makes Semi-Finals In National Merit

Headmaster W. Rodman Snelling of Detroit Country Day School announced today that Paul Lewis Sonda has been named a semifinalist through outstanding performance on the National Merit Scholarship qualifying test given in more than 16,000 secondary schools last March.

In addition to his scholarly ability Paul Sonda takes a very active part in Country Day's extra curricular program. A senior member of the Student Government and a school participant on various telecast panels, he is also a three sport varsity competitor.

Let halfbacks—Chris Twinning, Tom Fread, Bob Alpert; right halfbacks—Tom Gardner, Steve

Wedge, Chato Hill; fullbacks—Craig Ruggies, Bill Askew, Jim Martin; quarterbacks—Rick Slater, Ned Heaverich and Art Kalo.

The publications class, responsible for the yearbook, newspaper and literary magazine, is directed by Miss Kennelly and Miss Watt. The first issue of the newspaper, The Dateline will be distributed today.

The yearbook, formerly called The Cycle, is getting a fresh new name to face the prospects of the future. A contest is being held

for the clever person with the winning name.

The Publications Class will visit the homerooms Oct. 21-Nov. 1 to take orders for yearbooks. Deliveries will be made in June to those who order at this time.

The National Junior Honor Society will be sponsored this year by Mrs. Sachs, the new librarian.

Most of the clubs will be organized during the early part of October. Water ballet practice will begin Oct. 1 and continue for three weeks.

Great interest was shown in the Camp and Trip Club this year. Unfortunately, a yearbook will be accepted only by 25 girls. The fatal list was posted Sept. 27.

MORE TEMPTING THAN EVER!

The 1964 Cadillac is more tempting than ever to look at! It has a clean, low sweep to its lines... greater refinement in all of its body contours... and a dramatically new, divided grille.

It's more tempting than ever to ride in! There's greater smoothness and quietness. The interiors are luxurious as never before. And an exclusive new Comfort Control* enables you to pre-set interior temperature while automatically controlling humidity.

And Cadillac for 1964 is more tempting than ever to drive! It has a new high-performance engine—the most powerful in Cadillac history. Cadillac's Hydra-

Matic Drive has been remarkably improved in smoothness and responsiveness—and a new version, the Turbo Hydra-Matic, is standard equipment on some models. Both assure a truly amazing agility in traffic and a new over-all standard of automotive performance on the highway.

The final temptation? That's the extraordinary value that's built into each of the eleven new Cadillac models.
