KILL OR CURE?

Some folks used to eat tobacco for medicinal purposes. They thought the ingredients of tobacco would kill any poison in the system. We know better now—thanks to medical research. We've learned, too, that it's best to ask your physician's advice before taking any medicines. Be wise in matters of health. When you're ill, let your doctor do the diagnosing and prescribing. Then, if he orders medication, come to us for prescription service.

FRANKLIN VILLAGE Surge of Cider-Sippers Now Seen in Suburbia

By NITA HARD
MA 6-3224

The alchemy of autumn, now up to a full ciliary froth at the mill in Franklin, has beckoned the usual week-end avalanche of hikers and cider-sippers.

As thousands of urbanites surge through the village, a seemingly endless snake of cars chokes the main arteries, and Franklin Road residents inhale gasoline exhaust fumes Saturday and Sunday from now till Halloween.

A cascade of apples and falling leaves precludes a slight lapse in social activity while there is work to be done.

SOME LIKE the Adam Schubels of Willowgreen, head for the North county and make the most of the warm weather for late season visits.

Others, like the Larry Bars of Meadowdale and the Lyric C. Beaudouins of 15 Mile Road, are jointly joyous as grandparents as a second daughter born Saturday to Mr. and Mrs. Gatskill Barr at the Annapolis Hospital in Ypsilanti.

Mr. and Mrs. John C. Juggenstall of Wing Lake Road spent the week in New York as did Mrs. Arch Doty of 15 Mile Road.

FLOWER ARRANGING skills will be compared, admired and demonstrated Monday afternoon when members of the Franklin Branch WFFGA meet at the Franklin Community Church.

NATIONAL FARM and Garden judges Mrs. Paul J. Zieglerbauer and Mrs. N. A. Thureston will highlight the program with their comments on the arrangements.

GIRL SCOUT activities begin this month. Troops have been reorganizing under new regulations from national headquarters. Two junior troops, for girls in the fourth grade, are starting after-school meetings at the Franklin Community Church.

On Tuesdays, Troop 518 with Mrs. Robert Kerr and Mrs. Eugene Hasse as leaders will meet at 4 p.m. starting Oct. 15.

First meeting for Troop 2468, with Mrs. Stanley Clarke as leader, will be at 4 p.m. Wednesday.

Dale Mandrell, who played on the St. Louis Cardinals football team in 1958, was an All-Presidents' Athletic Conference end at Wayne State in 1960.
