AAUW Hears Discussion On Education Horizons

"New Horizons for Women's Continuing Education" was discussed by Mrs. Louise Cain, special assistant to the vice president for academic affairs, University of Michigan, before the Birmingham branch of American Association of University Women at a luncheon Wednesday in The Community House.

Mrs. Cain, a former Birmingham resident, emphasized the need for continual learning to keep pace with today's accelerated and changing world of knowledge.

She has been a member of the University of Michigan staff since 1961. Prior to her present position she was conference coordinator at the U. of M. Extension Service.

SINCE FEB. 1963, she has been on a special assignment to conduct a study on continuing education for women, assisting Dr.

MRS. HOWARD Green, state AAUW president, and Mrs. George Mosher, state tax study committee member, were invited to confer with Gov. George Romney recently at a special meeting in Lansing concerning his new tax program.
