

**BLOOMFIELD SOUTH**

**Boy's Curiosity Earns Set of Books**

By ELEANOR NELSEN  
MI 7-0056

Mr. and Mrs. Glenn Northrup of S. Cranbrook Cross, parents of Glenn Allen Northrup, are mighty proud of their son these days.

Glenn, affectionately known as "Duffy," was notified that his question, "How do they measure the speed of Wind?" was chosen the most interesting asked during the week in the Detroit Free Press column "Tell Me Why."

Because of his curiosity, Duffy has been awarded a leather-bound

set of the Encyclopedia Britannica. Duffy, a student at the Westchester School, said he is going to continue asking questions in hopes of winning another set of books which he would donate to the library of his school.

MRS. NORTHROP, too, has a claim to fame. Her mother was a member of the family which 20 years ago was proclaimed the largest family in the state of Michigan in which there were no multiple births.

When the parents celebrated

their golden wedding anniversary, the Detroit papers devoted a great deal of space honoring the family.

Guests at the H. K. Nulf home on Lahser Road during the last week of September were Mr. and Mrs. James Hatch of Miami Beach, Fla., their daughter Flora and granddaughter Esther. Although the Nulfs frequently visit the Hatches in Florida it was the first time in 16 years that Mr. and Mrs. Hatch had been in the Detroit area.

Much of the time was spent sightseeing and exclaiming about the changes in different areas, particularly downtown Detroit. One day was spent at Greenfield Village and having lunch at the Dearborn Inn.

THE BIRMINGHAM Farms Association held a meeting Sept. 19 at the Booth School. New board members elected were David Campbell, Norm Amundson, Herb Askew and Joan Richards.

Discussions of the evening centered about the association dinner dance to be held on Saturday, Nov. 2 at Glen Oaks Country Club. Chairman of the dance is Norm Amundson.

Officers of the association are Donald Buchanan, president; Herb Askew, vice president; Richard Poling, secretary; and David Campbell, treasurer.

A COFFEE to introduce a new neighbor was given by Mrs. Edwin DeJongh, 3880 W. Lincoln, on Sept. 13. Guest of honor was Mrs. R. W. Farnum of 3868 W. Lincoln.

Women present to become acquainted with Mrs. Farnum were Mrs. Walter Ludwig, Mrs. Edward Talbert, Mrs. George Strubbe, Mrs. Henry Prager and Mrs. Montague Miller. Others invited to attend the coffee were Mrs. Frank Arnold and Mrs. Ralph Moore.

Mrs. Allistair of Cranbrook Road has been busy these days working on Torch Drive, activities.

Mrs. Dunn, an area chairman in the Oakland Hills Division, has

**2-C. THE BIRMINGHAM (MICH.) ECCENTRIC, October 10, 1968**

as her district chairman Mrs. William TenEyck, Mrs. F. K. Graham, Mrs. H. U. Beatty and Mrs. R. W. Moss, who replaces Mrs. R. V. Rex, who recently departed for Hawaii, and Mrs. J. W. Bauer.

ST. CECILIA'S Guild of St. Regis Parish will sponsor a card party today at the home of Mrs. Joseph Fraher, 350 S. Glenary Road, Detroit, coffee, table and door prizes will add to the enjoyment of the card playing. Guests are welcome.

MRS. K. B. N. E. T. H. Bilby of Westmoor Road returned home Sept. 18 after having spent six weeks traveling throughout Europe with a friend, Mrs. Alice Smith of Detroit.

The women sailed from New York on the S. S. France, and returned via the Queen Mary, Af-

ter landing at Southampton, England, they traveled down through the Continent to the Isle of Capri and then up again to Paris after which they then flew down to spend a few days in Madrid, Spain.

THE THOMAS Loring family S. Cranbrook Cross are taking full advantage of the glorious fall colors and have been traveling almost every week end to St. Joe's, Mich., where they visit with Mrs. Loring's mother.

Each week they have felt, would be the last of the perfect Indian summer weather but they have been pleased to find they are enjoying "just one more."

ENTERTAINING at a cocktail party can be fun but even more so when the evening winds up a "class reunion." Mr. and

Mrs. James Rose of S. Williamsbury had as their guests October 5, Dr. and Mrs. L. G. Huddle, Mr. and Mrs. Robert Ingham and Mr. and Mrs. Richardson from Ann Arbor.

After cocktails the couple went to the Glen Oaks Country Club where they joined in the festivities of a 15th year class reunion of the Class of '53 from Lincoln High School in Florida.

THE WALTER Mitchell family of S. Cranbrook Road, who will be moving to the East shortly were pleased when a few neighbors gathered at the Robert Shirock home to say good-bye and wish them good luck.

Other guests present on Sept. 18 were Mr. and Mrs. Harry Tullar and Mr. and Mrs. Joseph Fraher. The four couples frequently are bridge partners so the Mitchells were presented with score pads and cards for future use.

ON SEPT. 28, the Westchester Association held a general meeting in Westchester School.

Most important item on the agenda was the election of four new board members. They are Mrs. Delmar L. Anderson, Richard Mangus, Dale Wacker and Charles Farrell. Re-elected for another term were Edward Adams and James Sweetson.

OTHERS ON the board at the present time are George Tomecek, Vincent Kaptur, William Kenyon, Herb Jones, Henry Gluckstad, Fred Mallender, Ted Simon and John Spomer. Homer Case was the guest speaker and gave a talk on the "Current Interest in the Township." A summary of the board's accomplishments during the past year was given by President George Tomecek. After the business meeting refreshments were served by the Westchester Women's Club.

**Parents Rally To PTA Open House**

The PTA of Johnson-Niles in Troy held an open house in the school Wednesday evening. Purpose of the open house, first general meeting of the PTA for the school year, was to acquaint parents with the school, their children's teachers and with P.T.A. itself. Teachers were stationed in their rooms to meet parents and to explain to them what their children will be doing during the year.

Fifth grade room mothers served refreshments in the multipurpose room, where PTA president, Mrs. JoAnn Roth, introduced the board members and explained what the PTA hopes to accomplish through the year.
