Both academic and culture activities have occupied the school schedule this past week, as juniors took the Preliminary Scholastic Aptitude test and Miss Mary Louise Hickey presented her interpretation of the Diary of Anne Frank to the student body.

Teresa Peterson and Kathleen Sullivan, among the delegates to the regional press convention in LaCrosse, Wis., have submitted both a tape-recording and written report on the subject of the Marianews' stand on local, national and world affairs.

Other students to attend the Oct. 26 convention will be Kathleen Doyle, Patricia Macholl and Mary Slowik, with Miss Carol Kayatin as faculty adviser.

Marian's library was the scene for the Annual meeting of the Michigan chapter of the Catholic Library Association, held Saturday. Sister M. Maureen IHM was hostess to the 375 members of the association, with the assistance of student librarians.

Members of the Marian Mothers Club assisting in the organization of the event were Madeline Chaput, Currie, Fitzpatrick, Fontana, Hare, Macholl, Naylon and Vici.

MEMBERS of the junior class are planning their annual father-daughter dance, to be held Saturday. Class officers Cynthia Diehl,

social studies classes have been scheduled into the library for at least one class period per week on alternating weeks. New shelving will soon be in, and a new magazine rack will be installed.

The extra storage space which has been added to the library will make it possible to keep magazines and enable students to do more reference work with the Reader's Guide. The audi-visual department has its own storage space in the library also.

MR. JAMES McMahon, faculty member in charge of the audi-visual materials, states that new films and film strips will be ordered and a card catalog will be set up for all audi-visual materials available. The student organization connected with the department is the Projectors' Club.

Mr. Bluhm and Mr. McMahon are sponsoring a new club which will deal with photography as an applied science. Although the club will be open to anyone interested in photography, apply soon, as the number who can be included is limited.

Mr. Tindall will assist the sponsors.

## Seaholm's Congress Has Senate, House

By TRISH VARGA  
Special Writer

Seaholm's Student Congress is unusual in comparison to other student councils. In its organization, a Senate as well as a House of Representatives is included. The Senate is composed of the vice president of Congress, the presidents, vice presidents and two senators from each class.

Many aspects of Seaholm activities are planned by the Senate and its various committees. Semester elections of officers are one of its obligations. Civic Control Day, headed by Dick Swaney this year, is an experience for Seniors in city government. This is also carried out by Senate.

Other events are the Senate dance, advised by Peg Talburt and the Installation dinner in January. Chairman is Connie Nelson.

BEGINNING this year's series of programs, Seaholm's Gym Team Oct. 29.

This team has made world tours and often spent vacations in the Cypress Gardens. Twelve girls and twelve boys combine to form the group, which presently is covering the United States and Canada. In the latter part of next summer, the team will appear at the World's Fair in New York.

Mr. Erik Flinsted-Jensen has headed the gymnasts on six tours. The first was made in 1930 and only boys were included. The tour of 1961-62 started with a series of exhibitions in Greece, including the Olympic Stadium in Athens. Wherever the team went they met with capacity audiences.

TWO representatives from Junior Achievement spoke to the English classes, explaining the many opportunities available to SHS students.

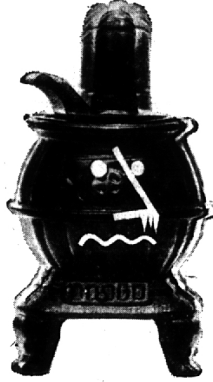

In the Junior Achievement program teenagers are able to actually start a business of their own, manufacture a product and sell stock in their company. Most important is the experience the JA teenagers will have when they graduate and begin to look for a job.

Leading businessmen from Detroit stand by to give advice if needed. Conferences, dinners and contests are also held throughout the year. In such a contest Kathy Allison, SHS graduate of '63, was

ter play. Members are Carolyn Candler, Pat Richardson, Fred Trost, Randi Johnson and Marie Exner.

National Honor Society officers recently have been elected. They are Bill Patton, president; Diane Harrington, vice president; Bob Swanson, treasurer; Carolyn Emmett, secretary and Rick Nuffer, historian.

At one time it was the practice of some employers to pay workers in script or tokens, good at company stores and in paying rentals in company housing. Today, however, wage payment laws in 32 states require wages to be paid in lawful money or by check.
