This fall a series of classes for diabetics and their families will be offered by the new Rotsford General Hospital, 29050 Grand River Avenue, Farmington.

This series of classes will follow the same content currently being used by the Oakland County Department of Health and will be without charge. Each series will consist of five lessons, taught by Mrs. Florence Meiers, M.S., A.D.A., executive dietitian, and John Collins, registered nurse.

The series of four classes, which will be held at the Farmington senior High School, Shiawassee and Orchard Lake Road, will be from 7 to 9 p.m. as follows:

### Property Owners Will Get County Tax Bills Dec. 1

Property owners in all Oakland County communities except Southfield, will receive school and county tax bills on Dec. 1. Southfield's bills will not go out at that time because the State Tax Commission has taken over the city's tax roll while it checks assessments on 1,400 parcels of property in the city.

THE STATE expects to be finished in Southfield in mid-January with tax bills going out within 60 to 90 days. The County Board of Supervisors approved school and county tax levies to be sent to all county assessors.

They acted despite concern that school taxes may not be levied uniformly in the Southfield, Oak Park and Birmingham school districts because of the state's action. The extent of the problem will not be known until the state completes its study in Southfield.

OWNERS OF the 1,400 parcels under study appealed their property assessments to the city's board of review which in turn reduced many of them.

A suit by property owners charged the review board's action was incorrect. The state is trying to determine who is right.

### Young Republicans To Hear Slater at Community House

Jack I. Slater, Jr., executive secretary of the Oakland County Republican Party, has accepted the invitation extended by the Young Republicans of Oakland County to be their guest speaker Tuesday.

According to William A. Miller, chairman of the group, the meeting will begin at 8 p.m. at the Birmingham Community House, 380 S. Bates.

Slater will outline the organizational structure of the Republican Party that has given Oakland County the reputation of being the most efficiently organized party structure in the state. The meeting is open to the public.
