Det. Salesian Hands Rice 28-0 Defeat

Brother Rice ran into a fired up Salesian football team Sunday that did not want to share last-place.

The Warriors, looking for a victory, only trailed 7-0 at half, but saw their hopes diminish as Salesian pushed over three last-half scores to win, 28-0.

Pat Hayden, Salesian's pint-sized quarterback, turned in a fine performance of ball-handling and scored the first TD on a 36-yard run in the second quarter.

Then the Warriors closed the door and fought Salesian on an even keel until Hayden again scored from 15 yards out in the third period.

But, the Warrior offense failed to materialize and poor blocking did not give quarterback Paul Jagels enough time to throw.

The play that broke Brother Rice's backs was a 52-yard scoring jaunt by Claire Dishman in the latter part of the third quarter.

That made the score 21-0 and up until that time the Warriors were definitely a team to reckon with.

Salesian added a fourth score in the final period when Bill Ryan dove in from the two for the 28-0 margin of victory.

Salesian amassed a total of 430 yards rushing, but Brother Rice was not seriously outplayed. The Warriors were ineffective on offense due mainly to poor blocking and Jagels had three passes intercepted because of the rush put on him.

Rice lost Bob Miller with a hip injury and Tom Schafer also was injured in the contest.

The Warriors host DeLaSalle Sunday at Groves in their next-to-last league game. A victory would be a tremendous boost to coach Joe Pascuzzi's club.

County GOP Endorses Tax Reform Plan

Gov. George Romney on September 12 presented to the Michigan Legislature and to the people of Michigan his program for total fiscal reform in Michigan; and outlined his administration's vigorous assaults on government spending through a well reasoned and thorough program of spending reform as an essential element of total fiscal reform.

Gov. Romney further defined the deficiencies of the present Michigan tax structure in three major areas, as follows:

1. Low income families pay a higher percentage share of their income in taxes.

2. Job creation is deterred by the present system of taxes on business.

3. Local governments have insufficient taxing ability to solve their problems at the local level.

* * *

GOV. ROMNEY proposed a program of total fiscal reform without tax increase, dedicated to the goals of creating more jobs and providing tax justice to all the citizens of Michigan; now therefore, be it

RESOLVED, that the Republican Party of Oakland County does hereby endorse the goals of the spending and tax reform programs outlined by Gov. Romney; and be it further

RESOLVED, that the State Legislature is hereby urged to approve a fiscal reform program that accomplishes the goals outlined by Gov. Romney and ends the deficiencies of our present tax structure.

Country Day School Sends Specialist To Food Convention

Detroit Country Day School, Birmingham, announces that its food service supervisor, Lois McLeod, 31130 Pierce, Beverly Hills, will represent Country Day at the 17th annual American School Food Service Association's national convention in Atlantic City, N. J., Tuesday through next Saturday.

Miss McLeod returned from a three-week European Study Tour sponsored by ASFSA in October, 1962, and will present to the convention her observations of the London, England, school lunch program.

A new addition to the staff of Country Day, Miss McLeod is also one of two instructors of the school lunch management course at Oakland University. She was the supervising manager at Redford High School, Detroit, before joining Country Day.

Librarians Hear Talks About Theft of Books

Valuable information on the program of "Theft, Mutilation and Other Crimes" was heard by Baldwin Public Library Director Jeanne Lloyd and two of her staff members — Lindo Moore and Leo Tuttle — who attended the 1963 convention of the Michigan Library Association Oct. 16-18 in Saginaw.

It is estimated that in some public libraries in suburbia theft of books has run as high at 10 per cent of their book collections and in high school libraries as high as 4 per cent.

Pointing out that some libraries have resorted to turnstiles, door guards, duplication services and limited access to some of the more vulnerable magazines and books in an attempt to curb theft and mutilation, panel participants advised that the most effective deterrent seems to be preventive rather than punitive measures.

* * *

SPEAKERS ON THE subject of vandalism included Roberte Graziер, associate librarian at Wayne State University; Lt. Allen H. Andrews, Jr., commander of the Uniformed Division of the Department of Public Safety at Michigan State University; and Walter Cleveland, of MSU's School of Police Administration and Public Safety.

Another highlight of the convention was a program dealing with "Public Relations — a Communication Problem for All Libraries." This discussion was led by Dr. Frederick H. Wagman, director of the University of Michigan Library and president of the American Library Association.

New Route Proposed For I-696

A move is underway by a group of 250 homeowners and businessmen to organize a fight against the State Highway Department's proposed routing of the I-696 freeway along 10 or 11 Mile roads.

William Bobrin of Detroit, who owns a pharmacy in Warren, told a meeting in Center Line High School Thursday night that the freeway should be routed along 13 Mile because the population is shifting to the north.

Bobrin said the highway department "has given us a choice between castor oil and Epsom salts—both taste terrible."

HE ALSO SAID the state's survey recommending the 10 or 11 Mile routes is seven years old and does not reflect today's needs. The 13 Mile route would disturb fewer business places and homes, he said.

The group will begin circulating petitions to present to the highway department against the southern routes, Bobrin said.

Meetings with all the communities affected by the two proposed routes have been completed and a decision from the state is expected by the end of 1963.

124 Youngsters Slated to Begin Synagogue Life

A group of 124 six-year-old students in the first grades of the Sharaey Zedek Religious Schools, Northwestern Highway and 11 Mile Road, Southfield, will be formally inducted into synagogue and school life at a special ceremony to take place during sabbath services on Saturday.

The induction ceremony has proven through the years to be a major milestone in the lives of the children involved and a highlight in the congregation's religious and educational calendar.

THE CEREMONY includes a choral recitation of the Sh'ma—the affirmation of faith—and the chanting of the MaTovu—a commitment to God's House of Worship by all Judaeans, a blessing of the children and a charge to the parents by the Rabbis and a presentation of a suitably inscribed and beautifully illustrated prayer book to the inductees as a memento of the occasion.

Harvey L. Weisberg, chairman of the Sharaey Zedek Committee on Education, and Mrs. William Schumer, chairman of the parent education sub-committee, extend a cordial invitation to relatives and friends of the inductees as well as interested members of the community to attend the ceremony.

B'ham Buys Tons of Salt

Birmingham bought 900 tons of salt last week.

City commissioners authorized the purchase from the Morton Salt Co. for the price of $6.40 a ton.

The commission had earlier rejected bids on the salt because the price was identical from all three bidders. The new bids submitted by the three major salt producers remained identical.

CITY MANAGER L. R. Gare had recommended the Morton Co. because it stores the salt in covered silos to keep it dry.

The International Salt Co. bid was rejected because the company supplies salt for Detroit, Wayne County and Oakland County, and Gare said its service to smaller consumers was not as good as Morton's.

Area Physicians To Be Delegates To AHA Session

Four physicians from the Birmingham-Bloomfield area will be among 15 delegates and officials of the Michigan Heart Association attending the annual convention and 36th scientific session of the AHA Friday through Tuesday at Los Angeles, Calif.

They are Drs. Duane L. Block, MHA secretary, 18175 Rosalind, Lathrup Village; James Blodgett, 1911 Crosswick, Birmingham; F. D. Dodrill, 225 Woodberry Drive, Bloomfield Hills; and Joseph N. Schaeffer, 211 Aspen Road, Birmingham. Each will have a vote in the AHA delegate assembly.

More than 75 Michigan physicians are participating in the convention which includes a two-day session, Oct. 23-25, given over to the Council on Artherosclerosis of the AHA. Some one-hundred short talks, reports and symposiums will be presented during the five days of scientific sessions.

Raise Party Funds

Some $35,000 has been collected thus far for the Republican treasury in a door-to-door campaign conducted in Oakland County, according to Mrs. John R. Pfister. The sum raised is a new high for the fund drive which began in mid-September.

Police Administration and Public Safety.

Another highlight of the convention was a program dealing with "Public Relations — a Communication Problem for All Libraries." This discussion was led by Dr. Frederick H. Wagman, director of the University of Michigan Library and president of the American Library Association.
