By KATHLEEN DARGA
Special Writer

Spending the week at Marian has been Miss Anne Culkin, who has given her nationally-known course of Personality Development to all students. Miss Culkin, in her informal lectures, has emphasized what she calls "the spiritual essence to charm," a feminine radiance that reflects a woman's knowledge of the spiritual power and true dignity of her role.

Miss Culkin has a background in theatre, radio and television, and has addressed over 200,000 women in 49 states. She is the author of the book, "Charm for Young Women," and of the nationally syndicated newspaper column "Talk it Over."

The Anne Culkin Course of Personality Development flows from Miss Culkin's belief that "External glamour is very different... from the warmth, the sincerity, that flows from the love, the assurance, the abiding charity of a truly spiritual woman."
