LATHRUP-CRANBROOK VILLAGE

Friends Cheer as Howe Scores 545th

By GLORIA JESSUP MA 6-3257

Gordie Howe truly demonstrated the title of his new book, "Hockey, Here's Howe," Sunday evening when he scored goal number 545 before a packed Olympia.

Fans and neighbors from Lathrup Village (where Gordie and his wife, Colleen, live) and even yours truly cheered and watched as a variety of articles were thrown on the ice.

But, with every victory there is always a little disappointment. Lincoln Cavalieri, promotion and general manager of Olympia, had planned a special surprise for Gordie, Cavalieri and six other men had spent a large portion of Saturday blowing up four gross (or 576) red and white balloons which they had imprinted with the number 545.

ALL BALLOONS were in readiness, for Cavalieri was sure, as were most of Gordie's fans, that Sunday night was the night.

However, upon arriving at the stadium on Sunday, Cavalieri found that all the blowing was for naught, because all the beautiful balloons were now the size of golf balls.

Among those participating in the 15-minute ovation were Mr. and Mrs. Ernie Hodas and their two children, the Howard Humphreys, Fred Pike, Michael Assarian, Dr. and Mrs. Paschetti and their two daughters, Mr. and Mrs. Adam Phillips, the Al Breens, Dr. and Mrs. John Hubert, the Lincoln Cavalieri and of course, Mrs. Howe and their two sons.

IT'S SAD BUT true, you can't be in two places at the same time. Season ticket holders for the Red Wing games are the Robert Raishes who were disappointed not to see Gordie get his record goal.

The Raishes were with two other couples at a champagne dinner celebrating the 138th birthday of the U. S. Marine Corps. Mr. Raish is a major in the U. S. Marine Corps Reserve and stationed at Grosse Ile.

The couples dined (with the men in mess dress) at Topinka's Country house, admiring strains of the Marine Hymn and traditional cutting of the cake with a sword.

AN "AFTER GLOW" is planned following the Saturday evening performance of the Village Players' first play of the current season. It will take place at the home of the Vincent Zetells on Sunset in Lathrup Village. Members of the cast and guests will gather for the midnight supper.

"The Third Best Sport," starring Ted and Jerry Mansfield, will be presented Thursday, Friday and Saturday evenings at 8:30 at the Community Congregational Church.

MR. AND MRS. John Nichols of Bay City will spend the week end in the Birmingham area and be guests of Mr. and Mrs. Ted Mansfield at Saturday's production.

Dr. and Mrs. Quentin Hamilton have returned to their Dolores Road home after a two-week combined business and pleasure

trip. The first week was spent in New York where Dr. Hamilton attended a medical convention. Highlight of their New York stay was attending the opera "Die Meistersinger."

Following the week in New York, the Hamiltons embarked on the Queen of Bermuda for a week in Bermuda before returning home.

CLUB PACK No. 1341, with their leader, Dr. Quentin Hamilton, went on a field trip last Saturday. The boys toured the Museum of Science at Cranbrook Institute.

On Nov. 30 the young citizens will conduct a paper drive for the benefit of the pack.

FOLLOWING the pot luck dinner, members of the Village Square Dance Club put on their dancing shoes and made their rounds and squares Saturday evening at Northbrook School.

Chairmen of the food committee for the November get-together were Mr. and Mrs. John Rhaney. They were assisted by committee members, Mr. and Mrs. Steve Adams, Mr. and Mrs. Stan Weber, and Mr. and Mrs. Bruce Scott.

Guests of the members included the Dan Cadillac, who were guests of the Del Cadillac and the Harold Kellers who were guests of the John Levers.

Club guests were Mr. and Mrs. Harvey Cadell, the Bill Walters, Mr. and Mrs. Ray Bozza, and the Hal Kassens.
