proudly announces the

## Grand Opening

of their new and larger store in  
the Bloomfield Shopping Plaza,  
Telegraph at Maple Road

See Drexel's exciting  
ESPERANTO collection.  
New as our Grand Opening.  
Over 75 pieces in all.

THERE'S nothing like it anywhere. Designed on two levels, it incorporates all the shopping features and conveniences to make every trip a memorable one. Our new concept of displaying all merchandise in a manner rarely seen, gives you an immediate visual idea of room plans you already have in mind. Settings are accessorized down to the smallest detail, in every current decorating theme. An unusual feature is bedding and carpeting displayed in their own departments. Consulting decorator rooms afford you privacy in planning your ideas into a home that reflects your own good taste. Tell us your needs and budget limitations . . . we'll do the rest. All personnel have been hand-picked to give you individual attention and assist you in every way. Browse around in an atmosphere of friendliness and relaxation. We planned it that way. Through your overwhelming acceptance and response to our former store, you have made our dream of a new and larger store a reality. We, at Daly Brothers, thank you for this opportunity.
