Ford Motor Company's
Christmas tree-lighting party
Sunday, December 1st

Everyone had such a good time at our tree-lighting party last year that we're going to do it again. Santa will be back, also, to switch on the 70,000 colored lights on our giant Christmas tree.

Hundreds of voices—from local choral groups—will welcome the Christmas season and lead the singing of your favorite carols. To commemorate the anniversary of the Christ Child's birth, there will be a life-size Nativity scene.

We hope your entire family will join us in this Yuletide observance. For the children there will be souvenir booklets featuring a "punchout" replica of Ford Motor Company's Cougar II experimental dream car which they can mount in a wall-plaque frame.

The ceremony will take place in front of our Central Office Building at Michigan Avenue and Southfield Road. Free parking provided at Ford Motor Company and nearby Manufacturers National Bank and the Dearborn Civic Center.

Come join us—Sunday, December 1st at five o'clock in the afternoon.
